## Here's one monthly cycle to celebrate!

**WE ALL** get a bit worried about what the year ahead will hold for us. Will our chosen football team lift the FA Cup? Will that promised pay rise materialise? Will the alcoholic crisp ever be invented? Worrying stuff.

Happily, after looking at these exclusive snaps from Holly Peers' 2014 calendar, we're confident everything's going to turn out fine. How can they not when we can spend the next 12 months in the company of the de-robed Ms P leaning against walls, bobbing about in a pool and taking gorgeousness to Olympic levels? Thanks, Holly, you've saved us all!

## Motorist escapes death in mother of all landslides!

WE'VE ALL seen those road signs that tell us to watch out for falling rocks. But it's doubtful that the driver of this car in Taiwan could have done much to escape the huge boulder that got up and close and personal with him after a dramatic landslide on the north coast of the island.

Despite the fact his car was severely disabled by the rock, the driver walked away unscathed – and no doubt went for a boulder-size tumbler of whisky to celebrate.

**1 WEATHER ALERT!** A downpour hits the north coast of Taiwan.

# Behind the scenes on Deadline Day!

Football goes mad… and *Nuts* is there to see it!

"Delivery for the BBC!"

### 5PM *NUTS* ARRIVES AT SKY SPORTS HQ!

Transfer Deadline Day has become one of the biggest events in the football calendar, so there's a real buzz around Sky Sports' new five-storey building in West London as we enter. On arrival, we see Tubes from *Soccer AM* (real name Peter) who's filming the whole thing for the Saturday morning show. It's going to be a big night, and we're there to witness the whole spectacle.

"Mum'll love this one, dad!"

Nuts
YOURS. EVERY WEEK.

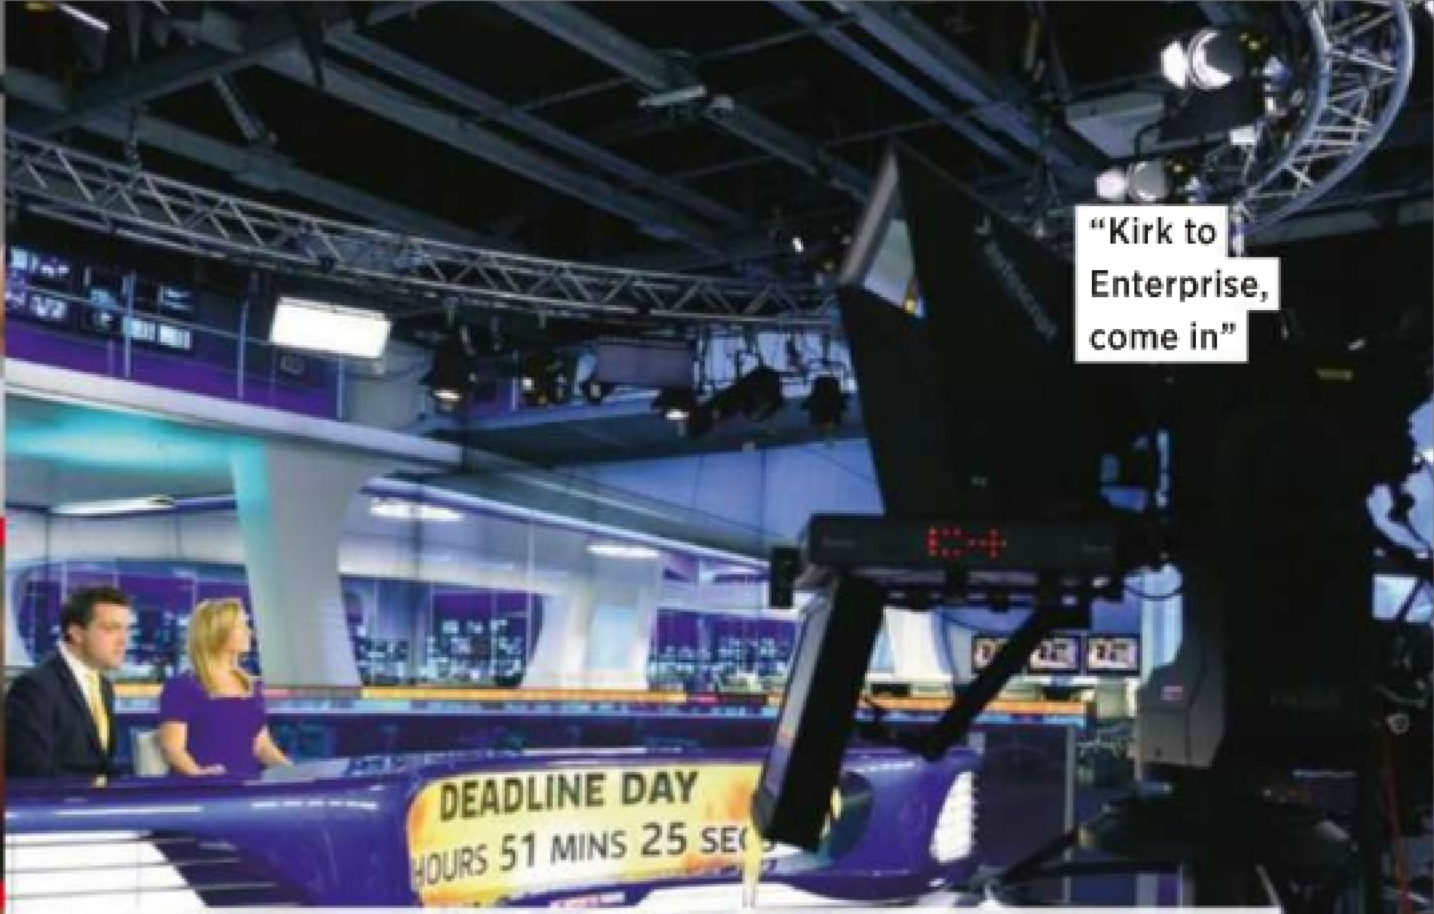
### 5.15PM MEETING THE MAN BEHIND IT ALL!

Our first stop is the office of Sky Sports executive editor Andy Cairns. "Deadline day's perfect for Sky Sports," he says. "We'd always covered it, but in 2008, it went crazy when Robinho signed for Manchester City. Now, people take the day off to watch it. We've already got off to a great start today with the transfer of **Gareth Bale** from Spurs to Real Madrid."

"Sorry lads, do you mind? I'm trying to do a show!"

### 5.45PM ÖZIL GOING TO ARSENAL!

News is filtering through that Real Madrid are looking to off-load German ace **Mesut Özil** to Arsenal. Of course, that's not the only deal that's going on – Sky Sports reporters are at every Premier League club, plus a few Championship clubs. Co-producer David Stokes says, "I write the scripts for the presenter's autocue, which is then read out on air." So that's how they look so calm!



### 6PM INTO THE SKY SPORTS NEWS HUB!

*Nuts* is taken down to the Sky Sports News studio. It's huge – a long, thin room full of desks that widens out at the top to where the filming's done. Our Sky guide points us to a nest of tables rising above the others – this is the news desk. "They send stories from there to web, app and TV," says Sky's press man, "so there's always consistency across all the platforms."

"All these TVs and still nothing decent to watch!"

### 6.20PM DOWN INTO THE "ENGINE ROOM"!

*Nuts* is taken to the "gallery" in the basement – a rabbit warren full of screens and busy-looking producers, directors and vision mixers pressing buttons and typing furiously. As we arrive, reporter Peter Stevenson's report from Liverpool's training ground is taken off due to some fans making rude signs in front of the camera. This is loads better than a normal gallery!

"I'm not going on until someone finds my jacket!"

### 6.30PM MEETING THE LEGENDARY JIM WHITE!

If there's one man who personifies the Sky Sports News Deadline Day coverage, it's Scottish presenter Jim White, who – alongside co-host Natalie Sawyer – traditionally does the last shift of the day, which stretches from 7pm to 12.30am, 90 minutes after the window shuts. Great news: the pair have got some time for an off-screen chat with *Nuts* in the staff café.

"So what are you doing afterwards?"

## ACE ANCHORS!

### 6.35PM GETTING THE INSIDE STORY!

"The Gareth Bale thing's being going on since May," says Jim, "but Daniel Levy's played it really well." And is that typical of transfers? "No, sometimes, it's really last-minute. I remember when **Harry Redknapp** phoned me up and told me Robbie Keane was going to Celtic. I put it out on TV and thousands turned up at Celtic Park. Some deals are still done by fax, too."

### 6.40PM NATALIE'S A SUCKER FOR DEADLINE DAY!

Natalie, a Brentford fan, is as enthusiastic as Jim about this maddest of Mondays. "We're really into it," she says. "It's just so exciting. When you find out you've been first with a signing then it's all worth it. Though it's impossible to sleep when you get home because, even though you're physically tired, your mind's whirring. It's all a bit crazy." She's not wrong there! ▶

He always insisted on his own personal nose-scratcher

### 6.43PM IT'S ALL ABOUT THE YELLOW!

As Jim and Natalie go into make-up, it strikes *Nuts* that all the presenters are wearing yellow in their outfits. "Ah, that's to mirror our on-screen ticker," says Jim. "One of my yellow ties is on show in the National Football Museum!" Meanwhile, one of the news editors tells us that they "really need the Özil deal to come through. There's a bit of a brick wall at the moment."

"I thought you were taller, Niall?" "You're standing on a box!"

### 7.55PM MEETING THE PROFESSIONALS!

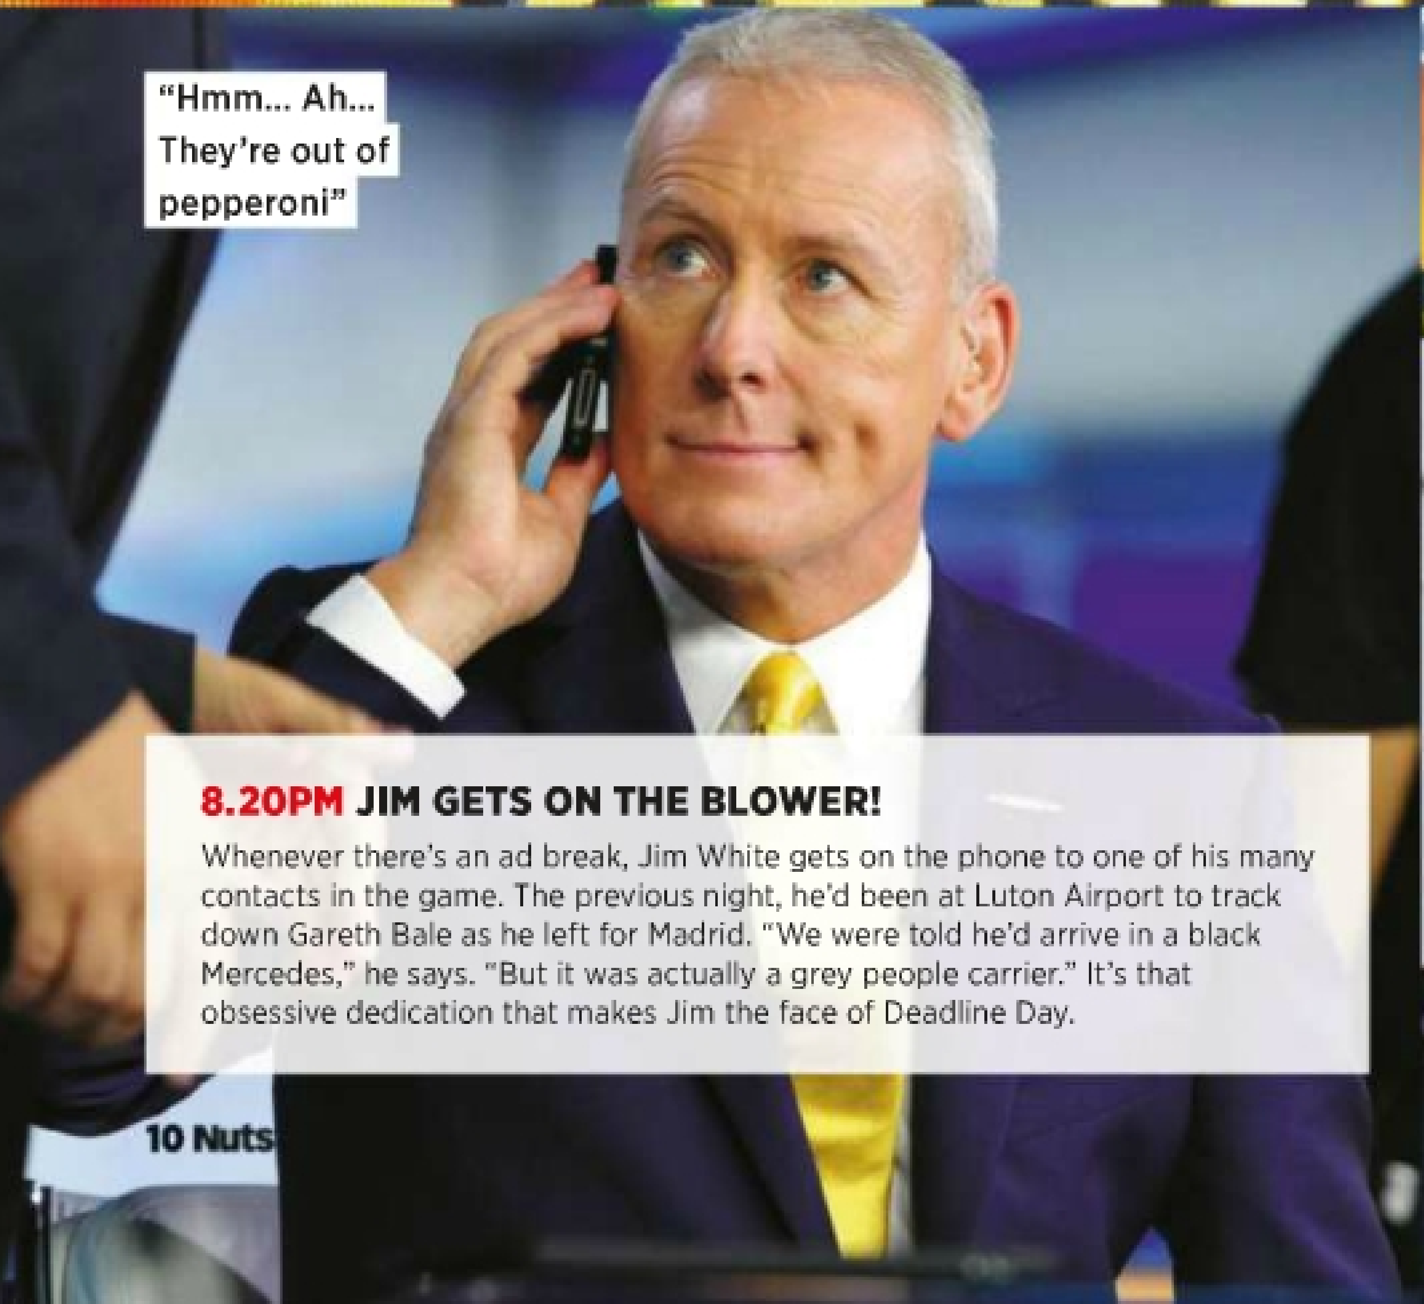
After a swift hello with West Ham and Everton legend, **Tony Cottee**, we grab a quick word with ex-Sunderland chairman **Niall Quinn**. "Deadline Day feels like a huge game of bluff. Sometimes, agents use clubs like us as a 'stalking horse' to get the attention of bigger teams." Suddenly, there's a burst of activity nearby: an Athletic Bilbao Twitter feed suggests Ander Herrera could go to Man United!

Phil Mitchell had really done it this time

GRIPPING!

### 8.15PM STORIES APPEAR THICK AND FAST!

The news comes in from Everton: **Marouane Fellaini** has put in a transfer request. It looks like he'll be going to Man United. If the transfer goes through, this could lead to the Toffees making a move for Wigan's James McCarthy and Chelsea's Romelu Lukaku. Like buying a house, everything's connected in a chain. What's that? Demba Ba could go from Chelsea to Arsenal? Exciting!



"Hmm... Ah... They're out of pepperoni"

### 8.20PM JIM GETS ON THE BLOWER!

Whenever there's an ad break, Jim White gets on the phone to one of his many contacts in the game. The previous night, he'd been at Luton Airport to track down Gareth Bale as he left for Madrid. "We were told he'd arrive in a black Mercedes," he says. "But it was actually a grey people carrier." It's that obsessive dedication that makes Jim the face of Deadline Day.

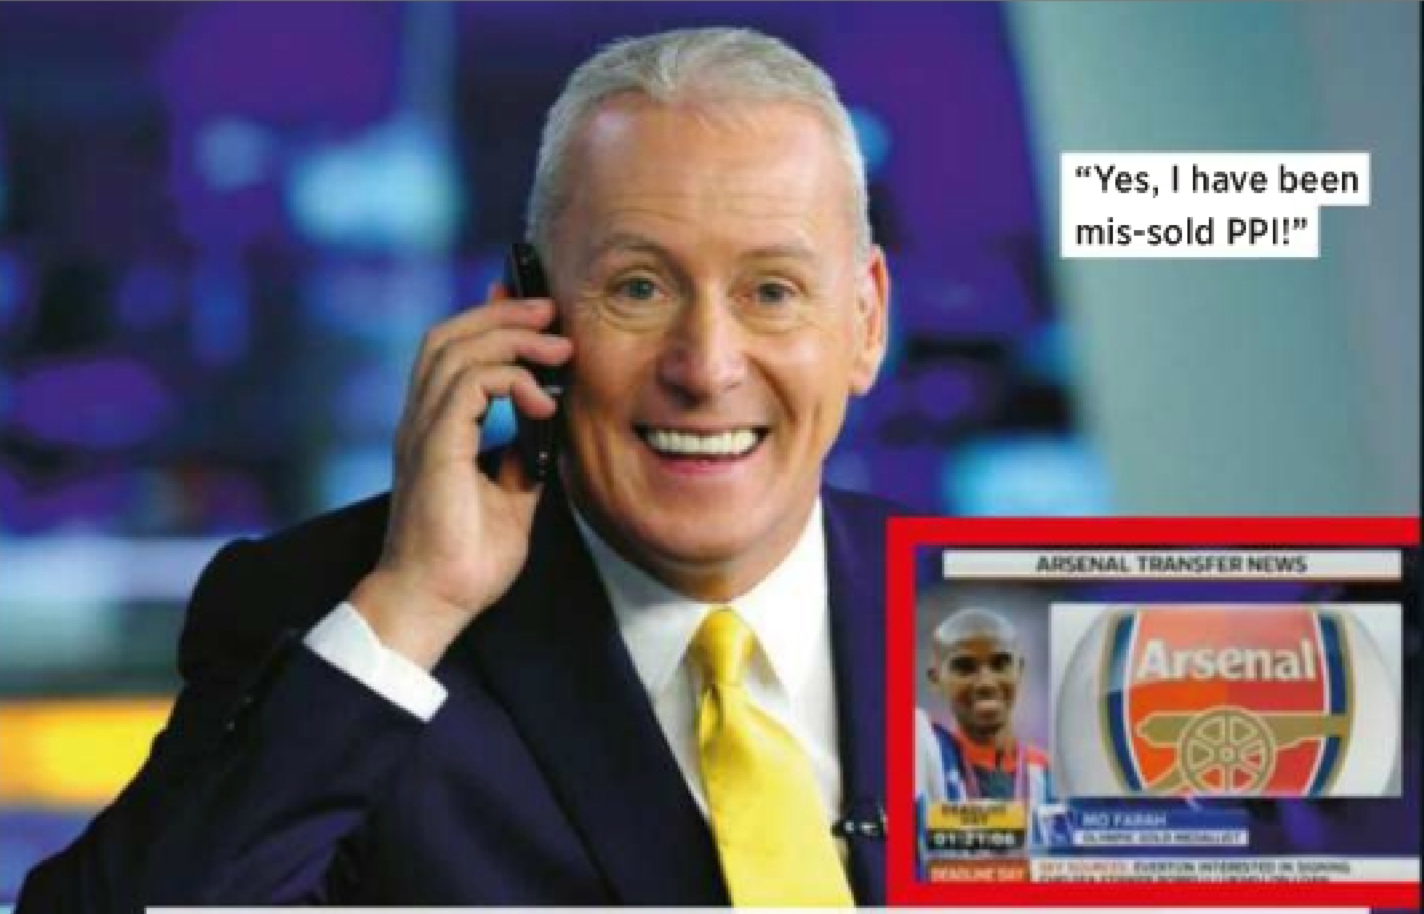
### 8.45PM BRYAN AND THE GIANT TOUCHSCREEN!

Reports come through that Özil has signed for Arsenal on a five-year deal. As it's not been confirmed by either club, Sky can only say that "Sky sources" believe the transfer has gone through. Meanwhile, reporter Bryan Swanson is manning the giant iPad thingy. "I sum up the activity so far and then we'll add all the money spent on our 'totaliser'," he tells us. That's a lot of cash!



"Yes, I have been mis-sold PPI!"

### 9.40PM MO'S THE MAN FOR ARSENAL!

During one ad break, Jim asks out loud whether he should ring up Arsenal fan **Mo Farah** to ask his view on the Özil deal. Everyone thinks it's a great idea and within minutes, Mo is on air. "I'm very excited!" says Farah. "We needed someone and Wenger's got the right player. I can't see what's happening there, though – I'm in the south of France!"

A two-for-one offer on pies is announced at the Emirates

### 10.29PM ÖZIL SENDS THE GOONERS MAD!

Finally, Arsenal confirm that Özil is officially their player in a deal worth £42.4m. The screen cuts to harrased-looking reporter Geraint Hughes, who's surrounded by out-of-control fans outside the Emirates stadium. He has a ring of bouncers around him after things get a bit out of hand when the Özil news comes through. It's like a nuttier version of New Year's Eve!

"Yeah, sorry love, sounds like you got mice!"

### 11PM THE GAME'S OVER FOR US!

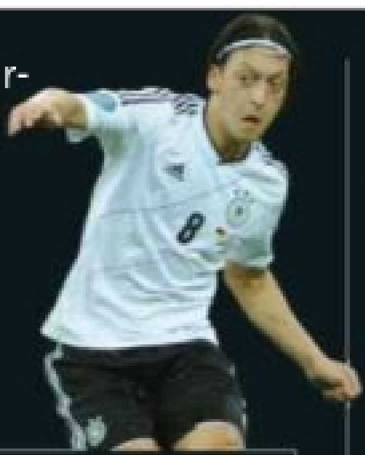
"Big Ben has chimed," says Jim White. "And tells us that the transfer window's closed." There's no time to relax for Nat and Jim, though – they've still got 90 minutes to discuss the machinations of the day before they can go home. For *Nuts*, though, all this drama has taken its toll. As we wait for our taxi, the comedown leads us to have a very un-Jim nap in the corridor. What a night!

# Mesut Özil: the facts!

## All you need to know about Arsenal's new £42m man!

Fly Emirates

**1** Twenty-four-year-old Özil has been a member of the German national team since 2006.



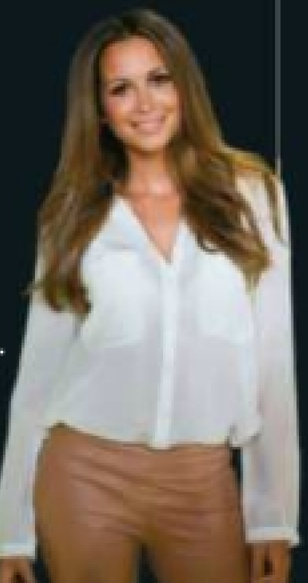
**2** His name is pronounced as "Ert-zil".

**3** Özil joined Real Madrid in August 2010 for £16.6m when he was just 21 years old.

**4 In 104 La Liga games for Real, he scored 19 goals, but he's best known for being "the king of the assist".**

**5** His nickname is "Der Rabe" – The Raven.

**6** He's dating German pop star Mandy Capristo. They're considered to be the Posh and Becks of Germany.



**7** Former manager Jose Mourinho, compared his skills to Zinedine Zidane.

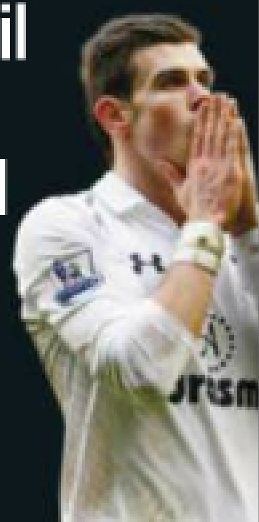
**8 A poll of Real fans showed that 66% opposed his sale to Arsenal.**

**9** Over the past five seasons Özil has provided more assists and created more chances than any other player in Europe's top five leagues.

**10 In that period, Özil has produced 72 assists and created 492 chances. In the same period, Messi has 68 assists and Ronaldo 47!**

**11** At Real Madrid, his bulging eyes earned him the nickname "Nemo" – in reference to the clownfish from *Finding Nemo*.

**12 Since August 2010, Özil has assisted 47 goals, compared to 15 for Bale.**



# The ultimate watch?

## Samsung launch smart watch. Tells time… and more!

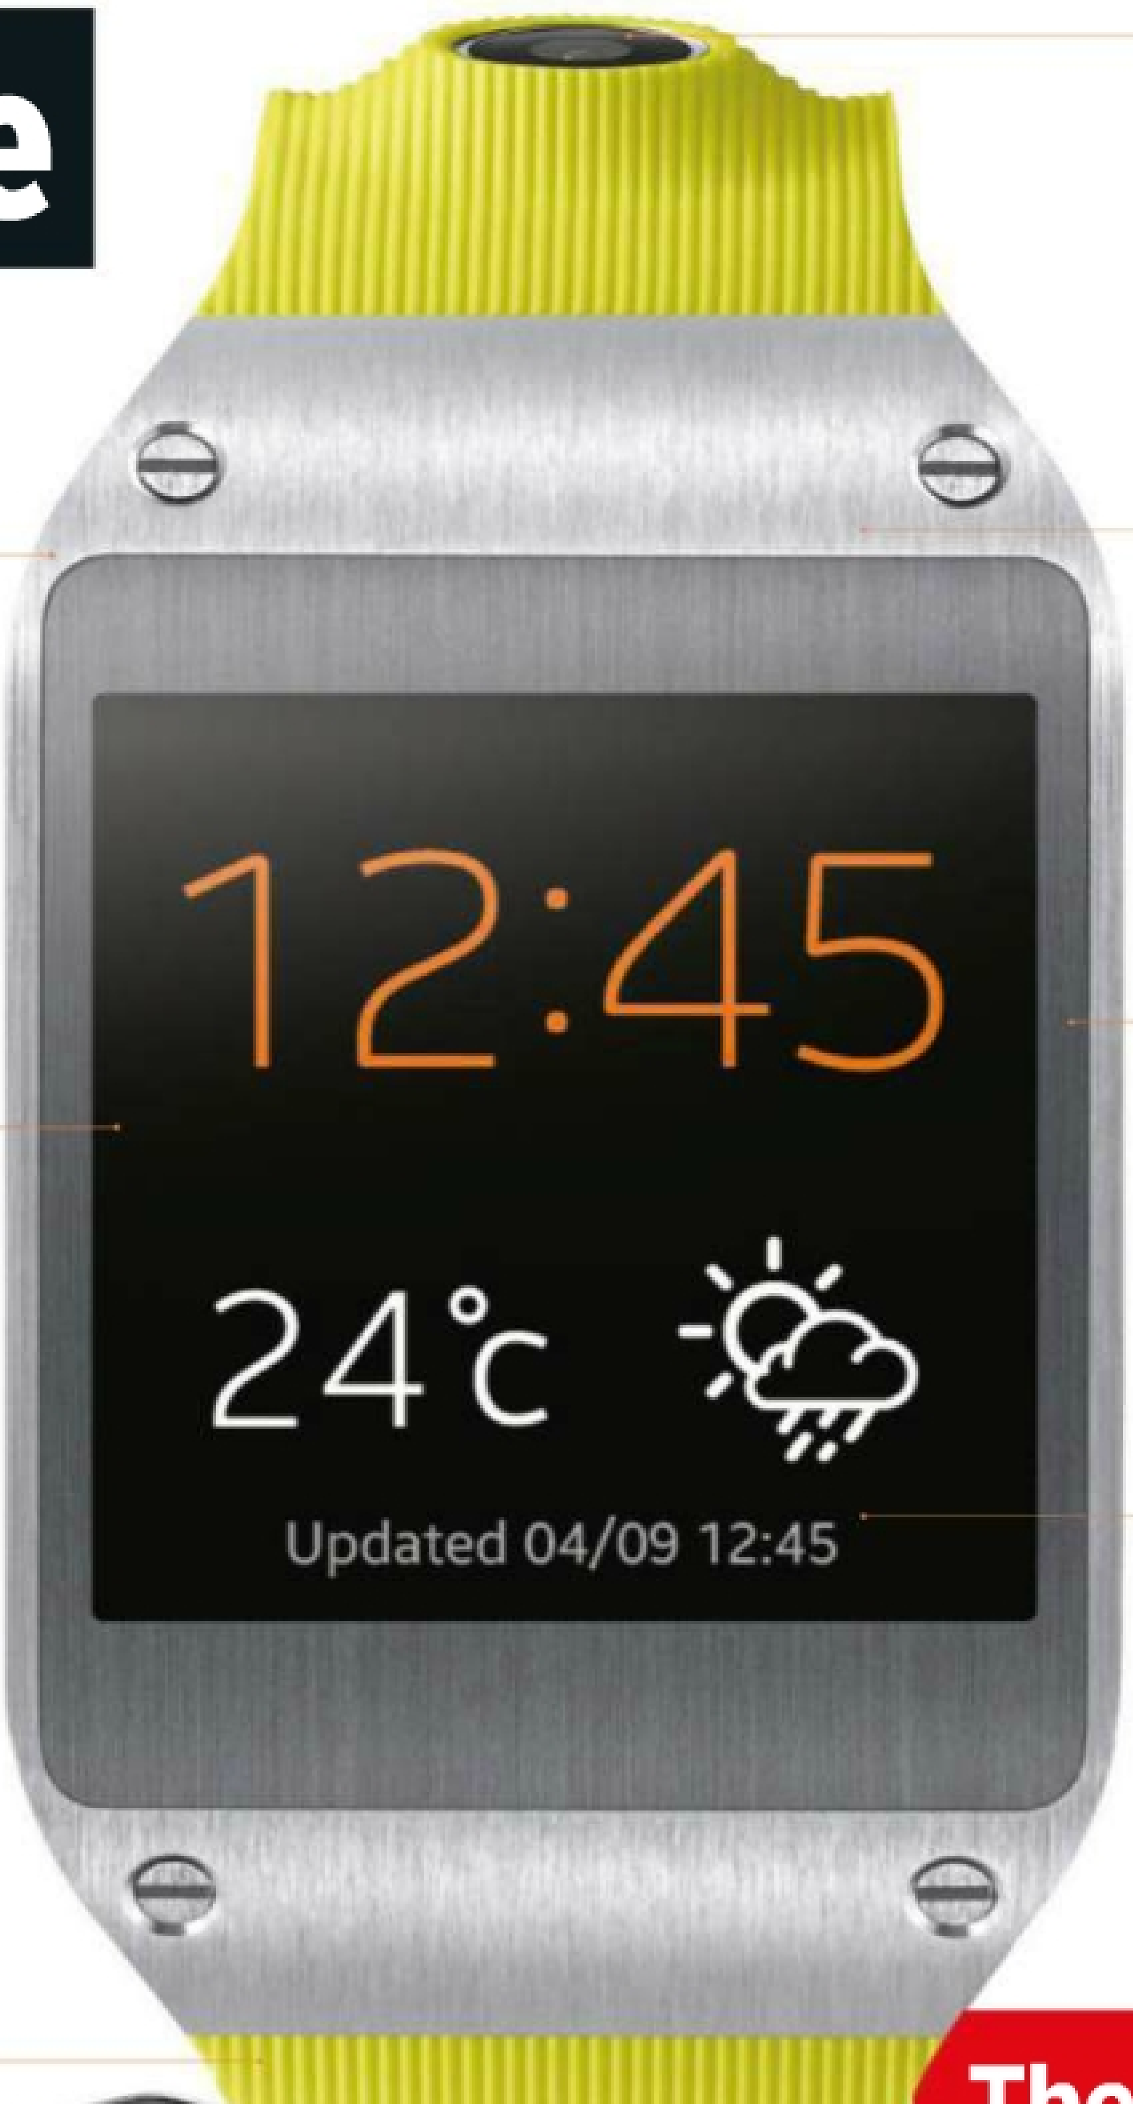
**IF THE** last few years in tech have been about smartphones and tablets, then there's a chance that future battles will be around "intelligent" watches. And Samsung have made the first move with the launch of the Galaxy Gear.

The most important thing to note is that the Android-powered Gear is *not* a standalone watch. You'll need to pair it with a compatible Samsung "phablet" for it to work.

Once that's done, the user can make calls from their timepiece, as well as run apps, take snaps and control the music player of the paired device.

The Gear's out on 25 September, priced £190. Apple, you're next!

WORDS: ANTHONY TEASDALE



The watch has a 1.9MP camera – basic, but good for spies!

The bezel of the watch is made from stainless steel.

The watch needs to be charged every night to keep it going.

The Gear has a 1.63in AMOLED screen, so it's bright and sharp.

It also makes calls, but only if paired with a Samsung device.

Around 70 apps, including Twitter, will run on the Gear.

The Gear's strap is made from rubber, in a choice of six colours.

# A quick word with James Corden!

## The *Gavin And Stacey* star on baking, Jason Bourne and his brand-new show!

**Hi James! How did your new BBC2 comedy-thriller *The Wrong Mans* come about?**
It depends how far you want to go back. On 22 August 1978, a young man was born who had an idea...

**Er... not that far back!**
Ha-ha! It was that time that everyone started watching those TV box sets like *24* with high production values. We thought, "I wonder why no one's tried to do that in a half-hour BBC comedy?" We wanted to write a sitcom that still had those cliff-hangers you get at the end of *Breaking Bad* and *24* which make you go, "I have to watch the next one right now."

**Shouldn't it be *The Wrong Men*, not *The Wrong Mans*?**
Our reason for calling it *The Wrong Mans* is to let you know it's a comedy show. If it was a drama, it'd be called *The Wrong Man*. Mat Baynton's [aka Deano from *Gavin And Stacey*] character witnesses a car crash, finds a phone ringing at the side of the road, answers it, and someone says, "If you're not here by five o'clock, we'll kill her." And that's the start of the show.

**Sounds interesting...**
We thought, "What if something that massive happened, but to two ordinary guys?" It would be funny because they'd be going, "What are we going to do?" "I don't know!" So we just called it that because we thought *The Wrong Mans* was a funny title.

**How did you manage to find humour in what is such a gruesome story?**
In *24* or the *Bourne* films, there are moments when they go, "We have to go to Paris" and the next shot is Jason Bourne coming out of the Paris Metro. In our show, we'd go, "We've got to go to Paris," and the next scene would be us trying to book Eurostar tickets online, saying, "Can we go after half ten 'cos it's cheaper?" even though someone's life is at stake.

**Your character has a bit of a man-crush on Mat Baynton's, but he's in love with his ex. It all sounds a bit like the Smithy/Gavin/Stacey love triangle!**
If you could say where the heart of the show is, then it's a love story. But it's not a *ménage à trois*! If that's what you're after, it's literally a mouse click away. You're not going to find it on BBC2 after *The Great British Bake Off*!

**How did you get so many famous people to cameo?**
We were humbled that so many people said yes. What all actors really want, rather than be in ten scenes and have lots of lines, is to have moments when they have a chance to shine. So we thought, "Let's make every part a thing that an actor would go, 'I would hate it if someone else did this.'" We wrote some parts with specific people in mind, like Dawn French and Nick Moran.

**How did you get *Homeland* star David Harewood involved?**
We actually started shooting *The Wrong Mans* in 2010, and the David Harewood bit was shot before *Homeland*. We'd worked on this show called *Fat Friends* together and I said, "Would you just come and do us a favour?" He went, "I'm not doing anything, sure." Everyone's going to think, "Look at these guys. They're just showing off!"

**_The Wrong Mans_ is showing in America on hulu.com. Should we all throw our TVs in the bin? Is the internet the way forward?**
I'm thrilled hulu can afford so much money to promote us in America, but I just wonder if they've really thought it through. It's not like I'm Kevin Spacey in

# Classy Swedish super-coupé!

## This beautiful model runs nearly 400bhp and 4WD… just don't mention it's a Volvo!

- **There are those who still think that Volvos are driven by retired colonels who love to tug caravans. This should help shove that prejudice aside, because this "Concept Coupé" is what Volvo are telling us is the future of their design and engineering. Looks a bit sharp, doesn't it?**
- The Concept Coupé was partly inspired by Volvo's P1800 from the '60s – probably the sexiest model to emerge from the Swede firm's factory. It borrows the P1800's razor-sharp creases that run along the rear wing tops and a suitably retro front grille. But that's about where the old-school stops.

WORDS: JONNY SMITH

CONCEPT

Car's dandruff was getting worse

*Countryfile* had sent car off to sleep again

- **Fresh design features that we'll see on future Volvo models include horizontal, T-shaped LED front running lights, C and D-shaped rear lights, as well as the "floating" effect of the radiator grille slats.**
- One thing the Swedish have always got bang-on is interior design. This is no exception. First, there's a portrait tablet-type touchscreen interface which replaces many centre console buttons.
- **Then there's a hand-cut crystal gear lever, the aluminium details and wood inserts. And because, in 1959, Volvo was the first company to invent and fit three-point seat belts, the Coupé wears special belt buckles to celebrate this.**
- Volvo won't say how fast it'll go, but the car's front wheels are powered by a 2.0-litre four-cylinder engine that feeds on both turbo and supercharging magic powers. The top speed should be around 155mph, with a 0-62 of 4.7 seconds.
- **The back end, meanwhile, receives drive via an electric motor. The combined brawn of petrol and electric is said to lay down nearly 400bhp and 440lb-ft.**
- Sadly, there are currently no plans to build this exact car, but expect to see plenty of its design bits on the next gen of Volvos.

## How can I get my share?

**My best mate always pulls when we go on a night out, and it's starting to bother me. How can I get in on the action?**

**ROBIN** Nottingham

Take a step back here, Robin. Rather than focusing on what annoys you, take a mental note of exactly what you admire about your friend's pulling skills. Is he attracting girls you're interested in? If you're quieter, don't try to be someone you're not and entertain the whole group. Instead, start a conversation with one particular girl. Who needs to speak to the whole group when you can direct your charm to that one beauty? And let's not forget, if your mate truly is a mate, he won't mind using his charm skills to be your wingman!

**LETTER OF THE WEEK!**

## Is it wrong to love the lube?

**I only ever seem to be able to finish the "job in hand" with the use of some form of lubricant. Is there such a thing as developing a dependence to it? Is it unhealthy?**

**JB** Manchester

Actually, this happens to a lot of people and is perfectly common – it's not unhealthy at all. But if you're really concerned about it, the best thing to try is resistance. After two weeks of abstinence, you'll manage the finale in spectacular fashion. Do you have a special lady who you could involve, too? Remember, good sex (and that includes masturbation) relies on you refreshing your imagination and trying new things from time to time.

## Help me ration the passion

**Me and my girlfriend have our third anniversary coming up. She's not into grand romantic gestures, so how can I give her the perfect night of passion without it seeming sleazy?**

**JEFF** Harlow

Subtly get her in the mood by booking a massage for the both of you. Then take her to a fancy restaurant. You'll find that she only says she doesn't like romantic gestures because she feels uncomfortable, but us girls love being pampered. And for the bedroom? Get some roses and oils, and go for it!

## Blow me down!

**AFTER AN** hour of gathering up his courage, a shy guy approaches a hot girl at the end of the bar. "Um, can I buy you a drink?" he asks.

She yells, "No, I won't sleep with you, you pig!"

Everyone in the bar stops and stares. The guy slinks back to his table with a red face.

After a few minutes, the woman apologises. She says, "I'm sorry if I've upset you. I'm a graduate student in psychology, and I'm studying how people respond to embarrassing public situations."

The guy responds, as loudly as possible, "What do you mean, you'll blow me for 25 quid?"

"Why on earth did he do that?" I asked.

"It's his signature dish," the waiter replied.

# Meet Claudia Dean!

The Berkshire babe makes her *Nuts* debut!

**Hello Claudia! How's your first shoot for *Nuts?***
It's incredible! It's such a hot day. I was stripping off before I even got in front of the camera!

**Why did you want to be in *Nuts* so much?**
When I started modelling, *Nuts* was my biggest aim, and now I'm here! You publish all the best babes – it's amazing to be featured alongside them.

**Where should a bloke take you on a first date?**
To be honest, the whole concept of dating for me is extremely awkward, so definitely nothing too formal. Alcohol and activities sounds like a pretty fun day.

**What should a chap wear?**
Nothing too fancy – a style that looks comfortable on a man always works. However, I love my trainers so a good trainer collection will always impress me. My current favourites I own are a pair of Air Jordan Retro 7s.

**Do you have a "type"?**
I'd never rule a man out based on his looks alone. I like guys who are a bit rough around the edges. I'm very partial to a good beard at the moment.

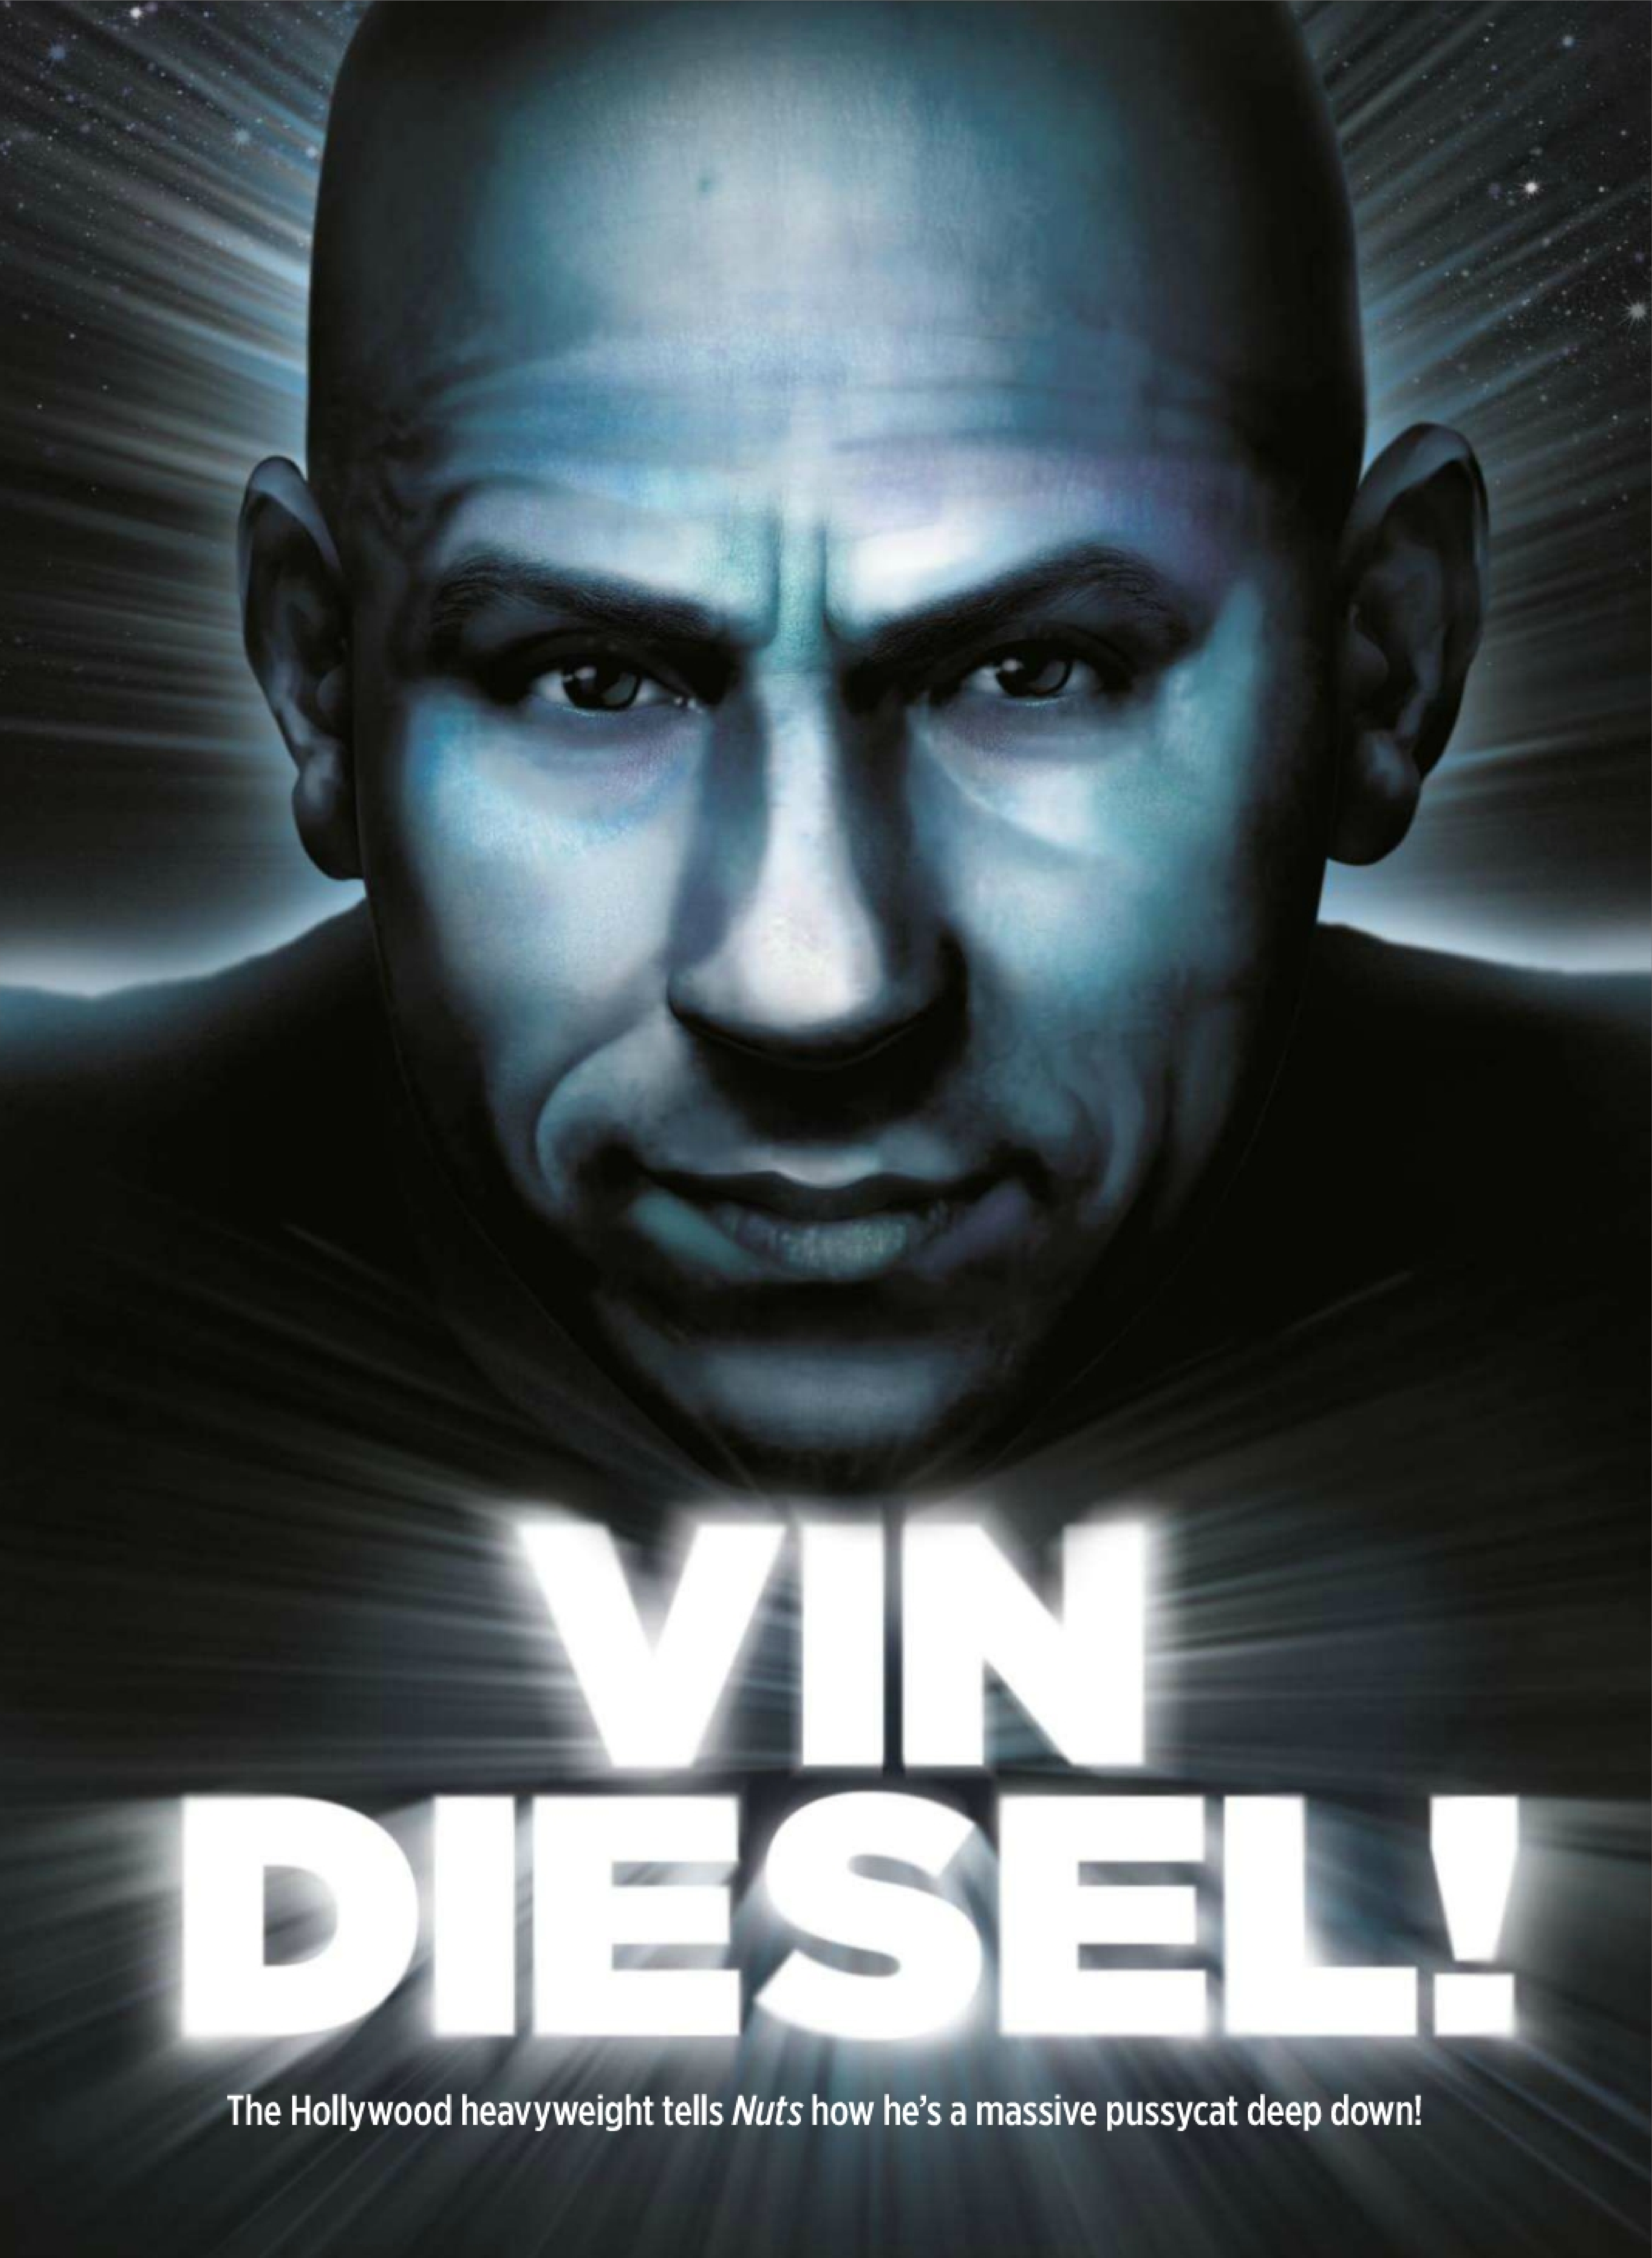
**What box sets or TV shows do you like watching?**
*Grey's Anatomy.* It's my ultimate favourite box set and show. I'm on tenterhooks waiting for the new series.

**Tell us what's on your playlist...**
I love a bit of everything, in particular deep house, but my heart also lies with Biggie and Tupac. Don't make me choose between them!

**Awesome to meet you, Claudia! Finally then, what's the sexiest outfit you own?**
I'm not one for "dress up", actually. I'm more of an "arrive at your door naked" kind of girl! ✖

INTERVIEW: ANDY JONES

**"It's amazing finally being in *Nuts*!"**



# VIN DIESEL!

The Hollywood heavyweight tells *Nuts* how he's a massive pussycat deep down!

**Hello Vin! Great to see you back in our cinemas as Riddick, but the last Riddick film, *Chronicles Of Riddick*, came out in 2004. Why have you made us wait so long for a new one?**
Oh, it was a fight. It was a struggle. It was a campaign! And ultimately, a huge victory for all of the Riddick fans around the world that we actually got it done. How did I succeed? Not the Hollywood way, ironically. *Fast & Furious 4* had come out. It had broken records – it took over £72million on the opening weekend. We went into Universal and said, "We want to make this new Riddick movie." They basically kicked us out of the city and said never come back here again. But we just didn't quit. We just kept at it, finding a way to get it done, which included going to Germany and getting foreign money and making a couple more billion dollars for Universal. Then they were ready to help us.

**Why do you think people love Riddick so much?**
He's a character who's been given up on, or ruled out, or blacklisted. It's very close to home. We all know that I've been blacklisted in a small way every time I said no to a picture. The wrath of Hollywood has tried to bury me. I think what resonates with people is this kind of loner. No matter how sociable we are, we can always identify in some way with a loner. I love anti-heroes!

**So you might be the black sheep of Hollywood, but you're also a bit of a cult figure. That must be awesome, right?**
And harrowing...

**Harrowing?**
Of course it is!

**What's the nicest thing a fan has done for you?**
I remember the thing that stood out the most was everyone asking when *Riddick* was coming? One of the things that someone said to me on my Facebook page was, "Vin, there are so many of us." There are 43 million members of the page now but back then, there were two million. Someone said, "You have two million people here. If each of us gave you $10, you could make an R-rated Riddick!" I know they have something called Kickstarter now, but this pre-dates that, and something about that comment really touched me. It basically gave me no way out. What's the point of doing all this if you can't service your audience?

**You weren't tempted just to take their dough and run?**
Ha-ha! No. I wasn't tempted to take their money. I'm not that kind of guy. My days as a "stick-up" kid are over.

**Before you became a movie star, you used to be a bouncer. Were you a nice one or were you a bit of a nob?**
I was the bouncer who stopped the other bouncers. If a guy was already on the floor and five bouncers were jumping on his head, I'd be the one going, "Hey, man, that's enough!" But when I started, it was all fighting. I was a bouncer for nine years at this bar called Mars in New York. To do that job, you have to be able to read people, and you have to be ready to fight – every night. I must have been in hundreds of fights, and they weren't pretty. But you try to avoid violence as much as you can.

**Is it true that your name came from your days on the door?**
Yeah. When you're getting into fights in New York you don't want everyone to know who you are, and where you live. So all bouncers in New York in the '80s had a nickname. People said I was full of energy. They would say, "There's Vin Diesel!" It just stuck.

**You posted a video of you belting out a Rihanna song. What was all that about?**
Oh, the Rihanna song! Oh my God. You know what that was? That was an alternative to sending a Valentine's Day card. When my girlfriend saw it, she said, "You have to give that to your fans!" I'd made other videos of me singing on my page before. It was no big deal. When I was singing *Chestnuts Roasting On An Open Fire* no one gave a sh*t. Then a studio called me and said they wanted me to do a musical!

## Fact file on Vin Diesel!

- Originally wanting to be a writer, Diesel wrote a script about his time as a bouncer, but it fell by the wayside when his acting career exploded in the late '90s.
- **Vin was given a role in *Saving Private Ryan* after director Steven Spielberg was impressed by a three-page letter of praise the actor sent him early on in his career.**
- The 1993 Mazda RX-7 driven by Vin in *Fast & Furious 5* had to be modified to fit the big man's frame.
- **Of all the motors in this issue's 40 Coolest Movie Cars (see page 32), Vin's work behind the wheel features more than any other actor!**

**Vin Diesel in *Guys And Dolls*? Is that going to be a thing?**
You know how long I've been talking about that? Yeah, it's got to happen! Isn't that funny? I do a silly little video and all of a sudden people are like, "Vin, would you ever consider a musical?" I've been asking to do this for the last ten years, man!

**Are you the "bad boy" of Hollywood?**
Well, I'm not a goody two-shoes. Put it on record: I'm a bad boy. I never want to be considered a role model, or anything that's unrealistic. I want to retain my right to be a bit "out there".

**Is there anything else we'd be surprised to learn about you?**
I'm a former Dungeons & Dragons player. I was completely into it for many years. I spent a lot of nights playing, if I wasn't bouncing, rolling that 20-sided dice and role-playing.

**Thanks for the chat, Vin! Finally, our very own Jason Statham has signed on for *Fast & Furious 7*. Who's the toughest cookie in that biscuit barrel?**
Put it this way: I don't lose. Ha-ha! You know, what? Deep down inside, I'm nothing but a pussycat. Honestly! And yet that Furyan part of me just won't lose. Ever. Why do I have to be such a Furyan! F**k!

- *Riddick* is in cinemas across the UK now

DANICA PRESENTS THE...

# World's Sexiest Blondes!

The delectable Derbyshire beauty introduces 50 fair-haired fitties!

SEXIEST BLONDES

▶

“I get much more attention being blonde!”

**Hi Danica! We're all about sexy blondes today. So what's the best thing about being blonde – do you get to go to the front of queues and get free drinks?**
I wish! It's such a cliché to say blondes have more fun but – having been almost brunette – you definitely don't get as much attention being darker as you do blonde. Actually, the blonder I go, the better for me!

**Have you ever had another hair colour? Was it a disaster?**
I once had my hair cut into a short, auburn bob. That was a terrible mistake. Then I had my hair dyed before a shoot and it went bright yellow. Even my dad noticed – the moment I walked through the door, he said, "My God, it's yellow!" If even your dad says it looks bad, you know it's bad!

**Who's your favourite celebrity blonde at the moment?**
Candice Swanepoel. What an amazing woman! Anyone who has anything to do with Victoria's Secret… I'd love to be a Victoria's Secret Angel. That's absolutely my dream.

**Have you ever been mistaken for another famous blonde?**
I get told I look like Bar Refaeli. That's not bad, is it? I used to get Rachel Stevens from S Club 7, but that stopped once she disappeared.

**What's been your best purchase of 2013 so far?**
Mowgli, my new Chihuahua. He's beautiful but also a little sh*t! He chewed our new cabinet the other week and pulled the wood off the wall.

**You don't keep him in your handbag, do you?**
No, Mowgli walks like a proper dog on a lead. Of course, I still have my other pooch, Willy. Willy gets lots of attention too.

**Do you stroke your Willy a lot?**
Yes, all the time… no! I've just realised what you mean! ►

> **"Candice Swanepoel is an amazing woman!"**

“Charlotte from *Geordie Shore* cracks me up!”

**Are you relieved you aren't in the *Celebrity Big Brother* house this year?**
I think last year was a good, fun series. This one hasn't taken off. There isn't anyone hot and single – where's the action going to happen?

**What's the best thing about living with you?**
I'm good fun to be around. I'm not bossy, I keep the house amazingly clean and I bake an awesome apple crumble and millionaire's shortbread.

**Who would you say is the funniest person on TV and why?**
Charlotte from *Geordie Shore* – she cracks me up. I love how she always says things most polite girls would never say.

**What's the best thing about doing a shoot for *Nuts*?**
We always have the best laugh – it never feels like work.

**Do you feel sexy on a shoot?**
It's more funny than anything else – you can be posing provocatively one moment and as soon as the camera stops, I'm back laughing again.

**Have you ever pinched anything from a *Nuts* shoot?**
Never! I do ask nicely and sometimes I'm allowed to keep something I'm wearing though.

**Would we ever see you lazing around like this in your underwear at home?**
No, I'm always in my sweaty gym stuff. But when it comes to underwear, I always make an effort – you have to have knickers and bras that match.

**Thanks for the chat, Danica! Finally, how do you manage to stay in such good shape?**
I spin, sprint and then do kettle bells. I love that – it's so hardcore. I also ride horses – I also used to do dressage.

**Isn't that what Katie Price does? Who'd win in a dressage face-off between you two?**
Her, definitely! She seems very serious about it.

*NETHERLANDS*

Victoria's Secret Angel Doutzen once appeared in a 3D animation in her native Holland. Delicious Doutzen in 3D – just imagine!

**10 HOLLY WILLOUGHBY**

You don't earn a nickname like "Willo-booby" without some serious credentials, and these are Holly's. Here's a clue – she didn't send in a CV.

**11 BROOKLYN DECKER**

*USA*

We don't know what the castings for *Sports Illustrated* are like, but there must be lots of ticking of the "booby" and "blonde" boxes.

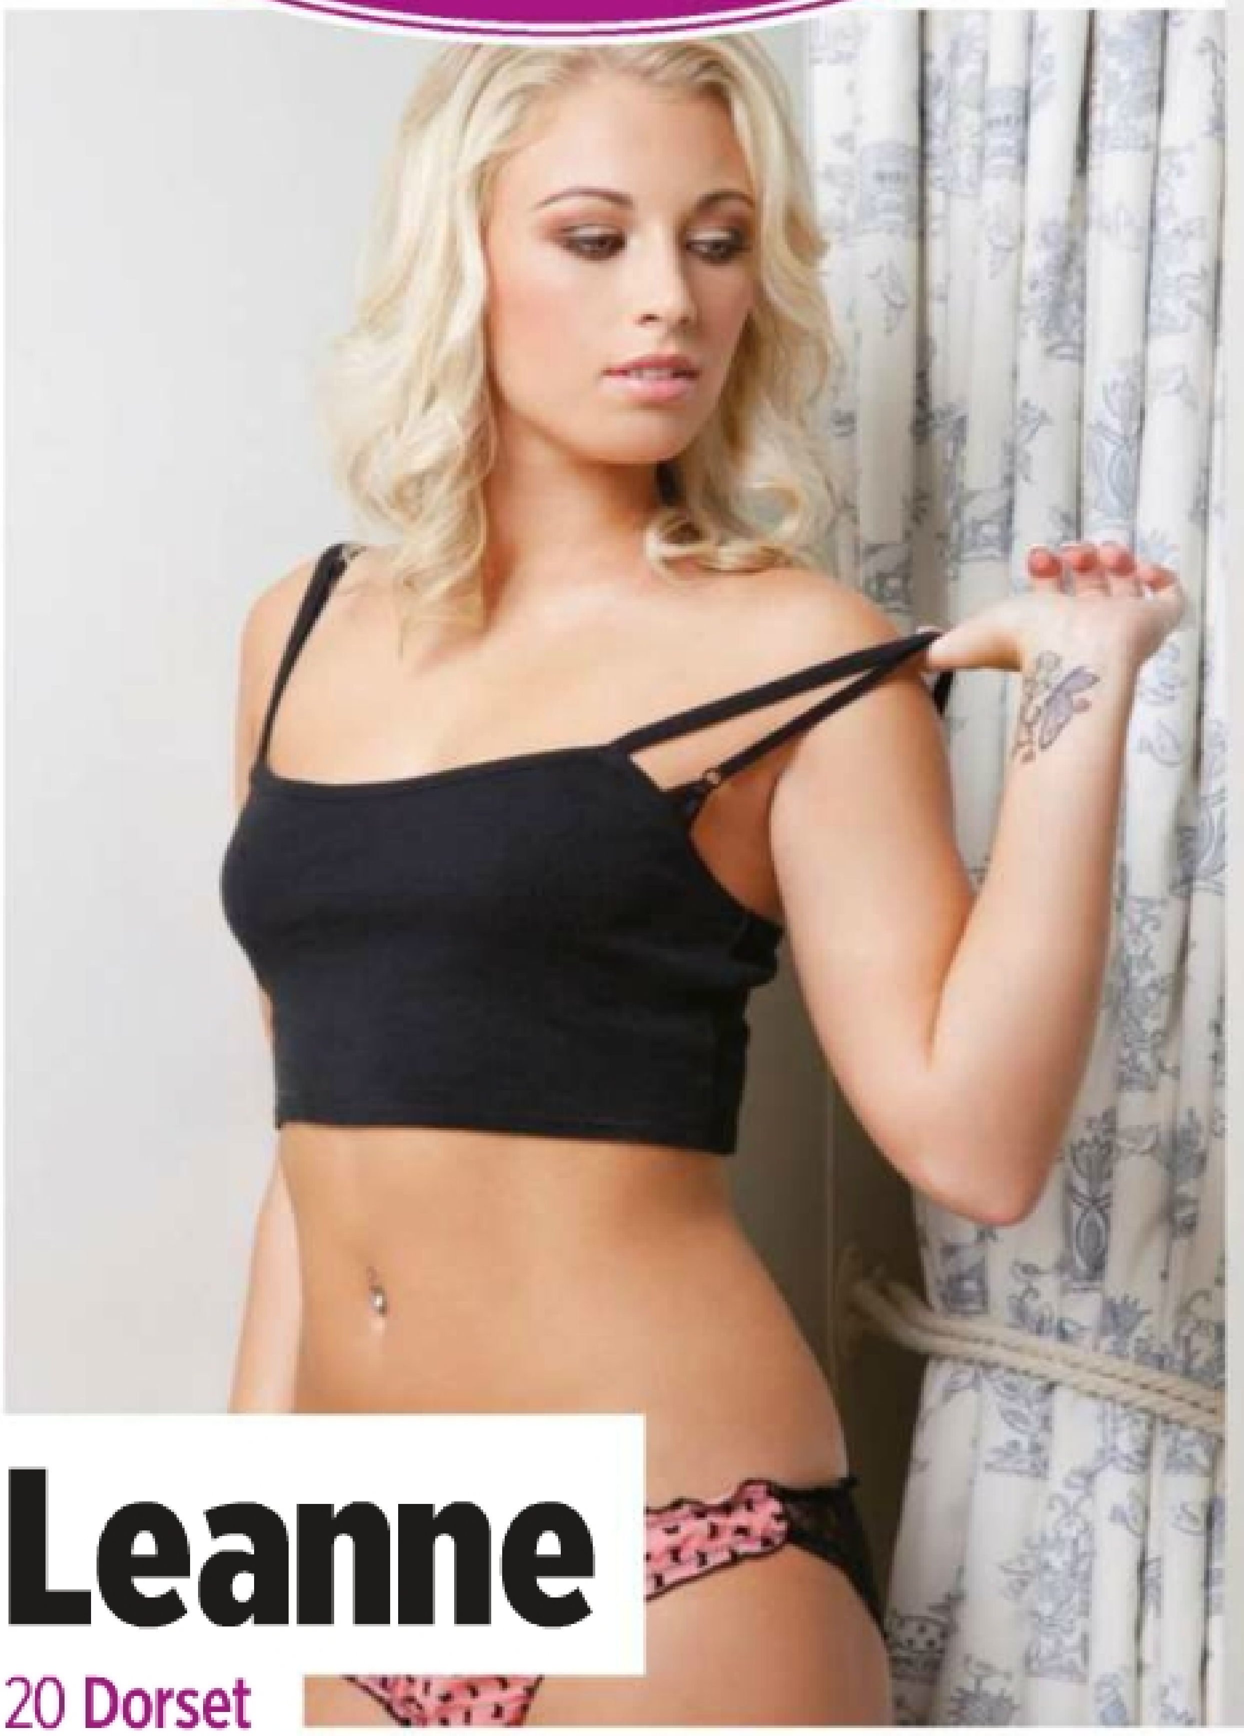
# 10 RUDE QUESTIONS!

And a real girl to answer them!



## Leanne

**1 Where's the strangest place you've had sex?**
"Looking back, it's not exactly strange, but a bit of a naughty place I had sex was in the toilets at an Army Christmas ball. It was all very classy though – I was still wearing my long ball gown and everything!"

**2 What's your trademark move in the bedroom?**
"Oh, I always like to mix it up a bit and tease my man, or do what he least expects. It always gives them something to remember. After all, sex should be fun!"

**3 What really turns you on?**
"It depends entirely on my mood. I do love watching a bloke pleasure himself, especially when I know that he's thinking of me. That's always a massive turn-on."

**4 What's your favourite position?**
"It's got to be me on top, as it always makes me feel like I'm in control, which is amazing. Plus my fella can see how much I'm loving it!"

**5 Is it better to give or receive?**
"I really think it should work both ways. I can't be expected to do all the giving. But there are plenty of ways to make sure both of us get a treat in the bedroom. It's all about having some imagination."

**6 What one thing would you really like to try that you haven't yet?**
"For me, it's got to be having some outside fun. It's probably the only thing I've not done yet. But that's not to say I wouldn't be up for trying it!"

**7 Ever got it on with another girl?**
"Every girl has snogged a female friend, haven't they? But I've also done a cheeky girl-on-girl shoot, which was definitely an experience I won't forget in a hurry."

**8 What's your favourite sexy outfit?**
"I personally don't think there's anything sexier than a pair of heels and French knickers – if you actually class that as an outfit. It's important to play "dress-up" – it keeps your man on his toes!"

PHOTOS: TOM SERGEANT

**9 Have you ever made a rude vid?**
"There's definitely been a cheeky little video, but that's purely for personal viewings only!"

**10 What's the rudest thing you've ever done?**
"Well, now, surely that would be telling? Let's just say all my man's fantasies have been ticked off his list!"

Racy revelations from our female readers!

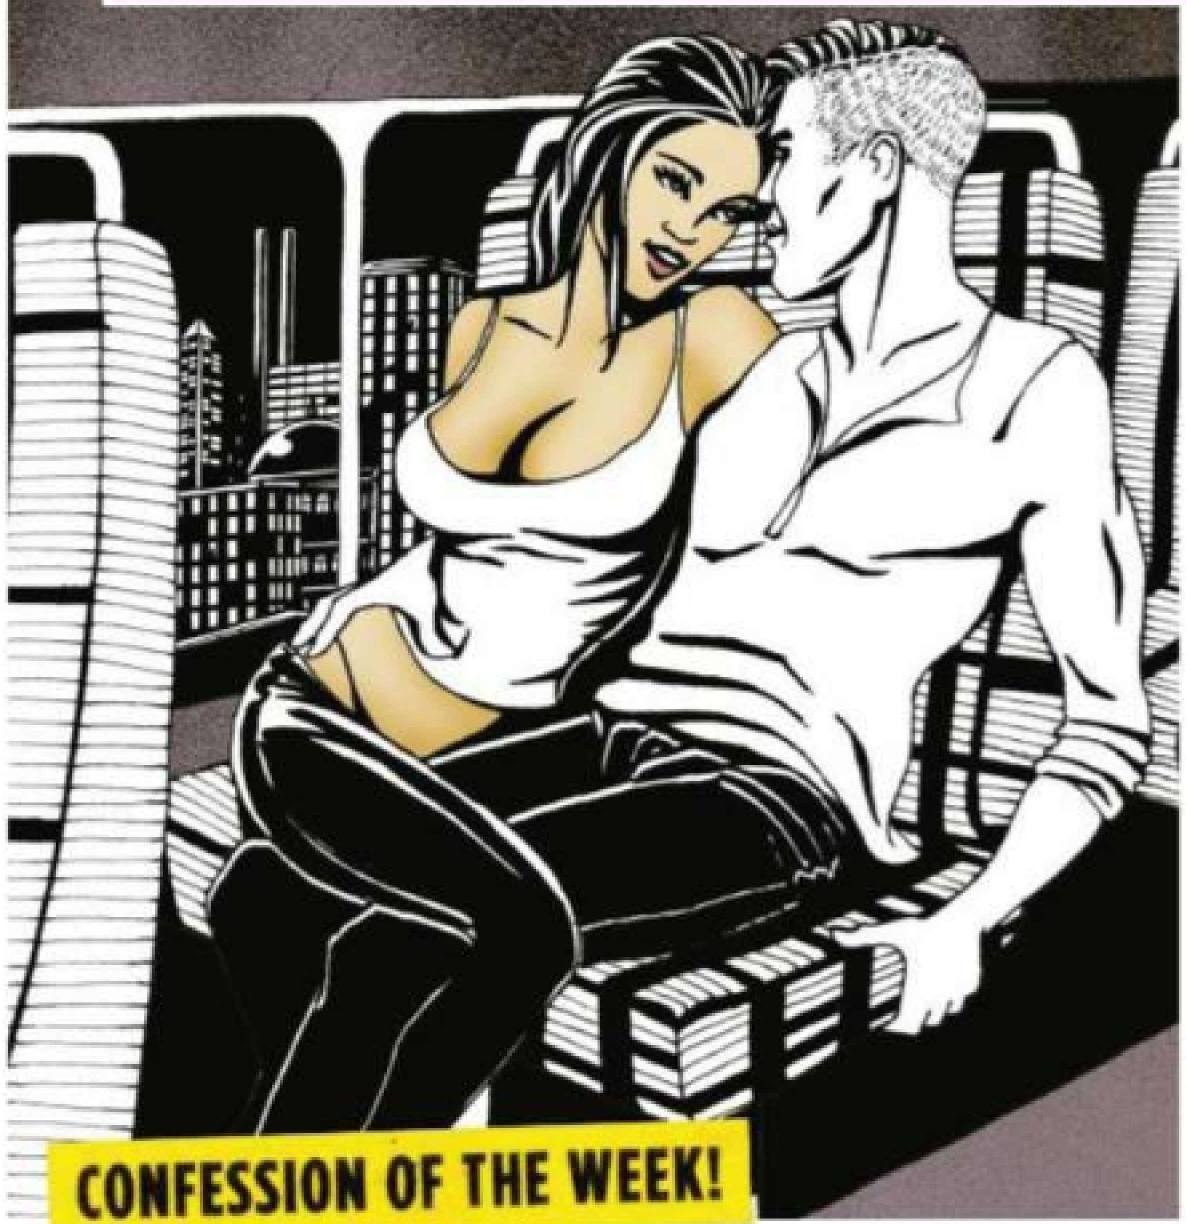
Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!



CONFESSION OF THE WEEK!

## 'All aboard the rude express'

**MY BOYFRIEND** and I take the night bus home after a night out. Usually, we sit upstairs and often have the bus to ourselves. One night, he started nuzzling my neck and said he couldn't wait to get me home. It made me go red, but I gave him a saucy look back. He stroked my leg and I could feel myself getting wet. He put his fingers inside me and could feel how turned on I was. I rubbed my hand on his manhood and we kissed and both groaned in delight. All of a sudden, we were aware the other passengers seemed a bit flushed too!

**Hayley** Huddersfield

## 'We had sex that rocked'

**I'VE BEEN** house-sitting for a relative over the past few weeks and enjoying the sunny weather in their garden. I'd been sunbathing, and my body was tanning nicely, so I decided to invite my boyfriend over for some fun. He looked hot, and I could see his muscles underneath his T-shirt. We grabbed some cold beers and cuddled in a swing chair. I soon felt my boyfriend's hand slide up my skirt and as we kissed, he moved to my clit as I moaned in delight. He slipped his fingers up inside me, making me so horny. We were soon rocking to-and-fro, getting more turned on, so I undid his jeans and straddled his erection. The swing increased my pleasure and it wasn't long before we came! We'd love to house-sit again.

**Faye** West Midlands

## 'Her breasts brushed mine'

**I WENT** to Zante with friends on holiday, but I didn't know one of the girls I went with that well. One evening we were slow getting ready to go out, so we said we'd catch the others up. As she got undressed, I noticed she had amazing breasts. I couldn't stop staring at her. She brushed past me, smiling. Soon we were face-to-face, about to kiss. As our lips touched, she unhooked my bra, her luscious breasts pressing against mine. She clambered on top of me, slid my knickers off, and proceeded to lick me to an earth-shattering climax. I returned the favour before we went to meet the others. We were over an hour late and looked very guilty!

**Shelley** Liverpool

## 'We got hot in the halls'

**I'M A** part-time cleaner at my university, and once a week I have to go around the first year's halls. There was one fit guy – definitely the strong and silent type. Usually he was working at his desk, so we didn't really speak. One day I knocked on his door, heard nothing, so I opened it with my work keys. As soon as I entered, he stepped out of the shower. My eyes and mouth widened as my vision locked on his member. He looked a little embarrassed, but as soon as he saw my reaction a cheeky smile came across his face. I couldn't resist him. I pushed him onto the bed and we started to go for it with fast and passionate sex which made me climax very, very loudly. I made sure his room was "cleaned" at least four times a week for the rest of the year!

# Mayweather: ‘Remember me as the greatest ever!’

## The world’s best boxer on his upcoming fight, his fairytale life and winning a solid gold belt!

“Hold still, I’ll try to unknot your glove with my teeth...”

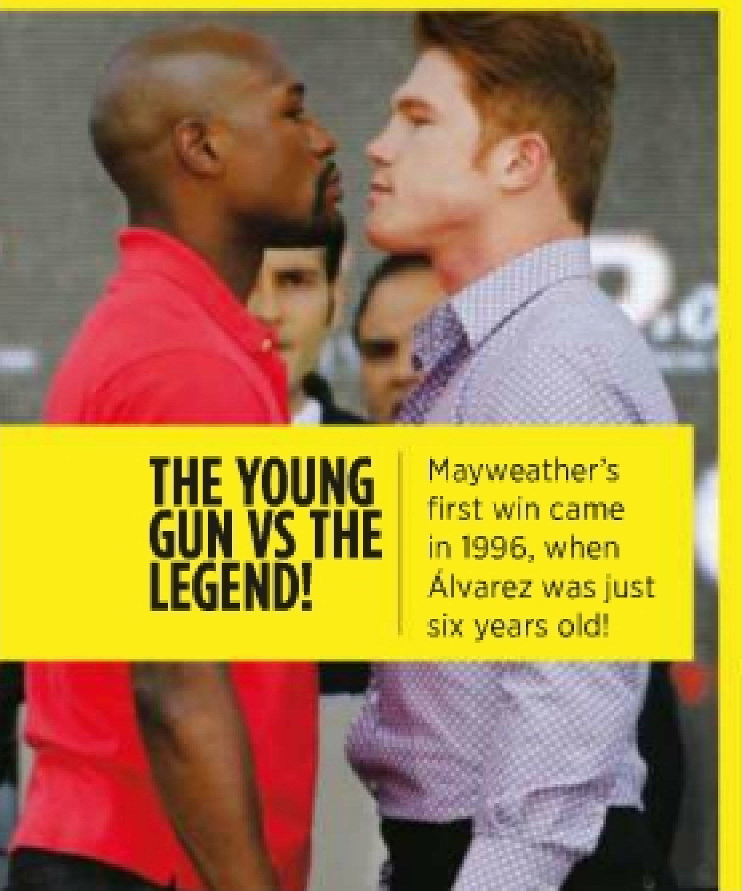
**Hi Floyd! How are you feeling about fighting Canelo Álvarez for the WBC light middleweight title? He’s highly rated by many...**
I’m in fantastic shape and I’m going to train even harder for this fight than I did for my last one. It’s a risky fight as he’s younger and bigger than me, but I’m a risk-taker so I’m going to win.

**He has a very impressive record though...**
That’s because Canelo is a good fighter. He’s earned his belts and has earned the right to face me in the biggest fight of his career. He’s a true champion, but at 22, he’s still got a lot to learn, that I can teach him.

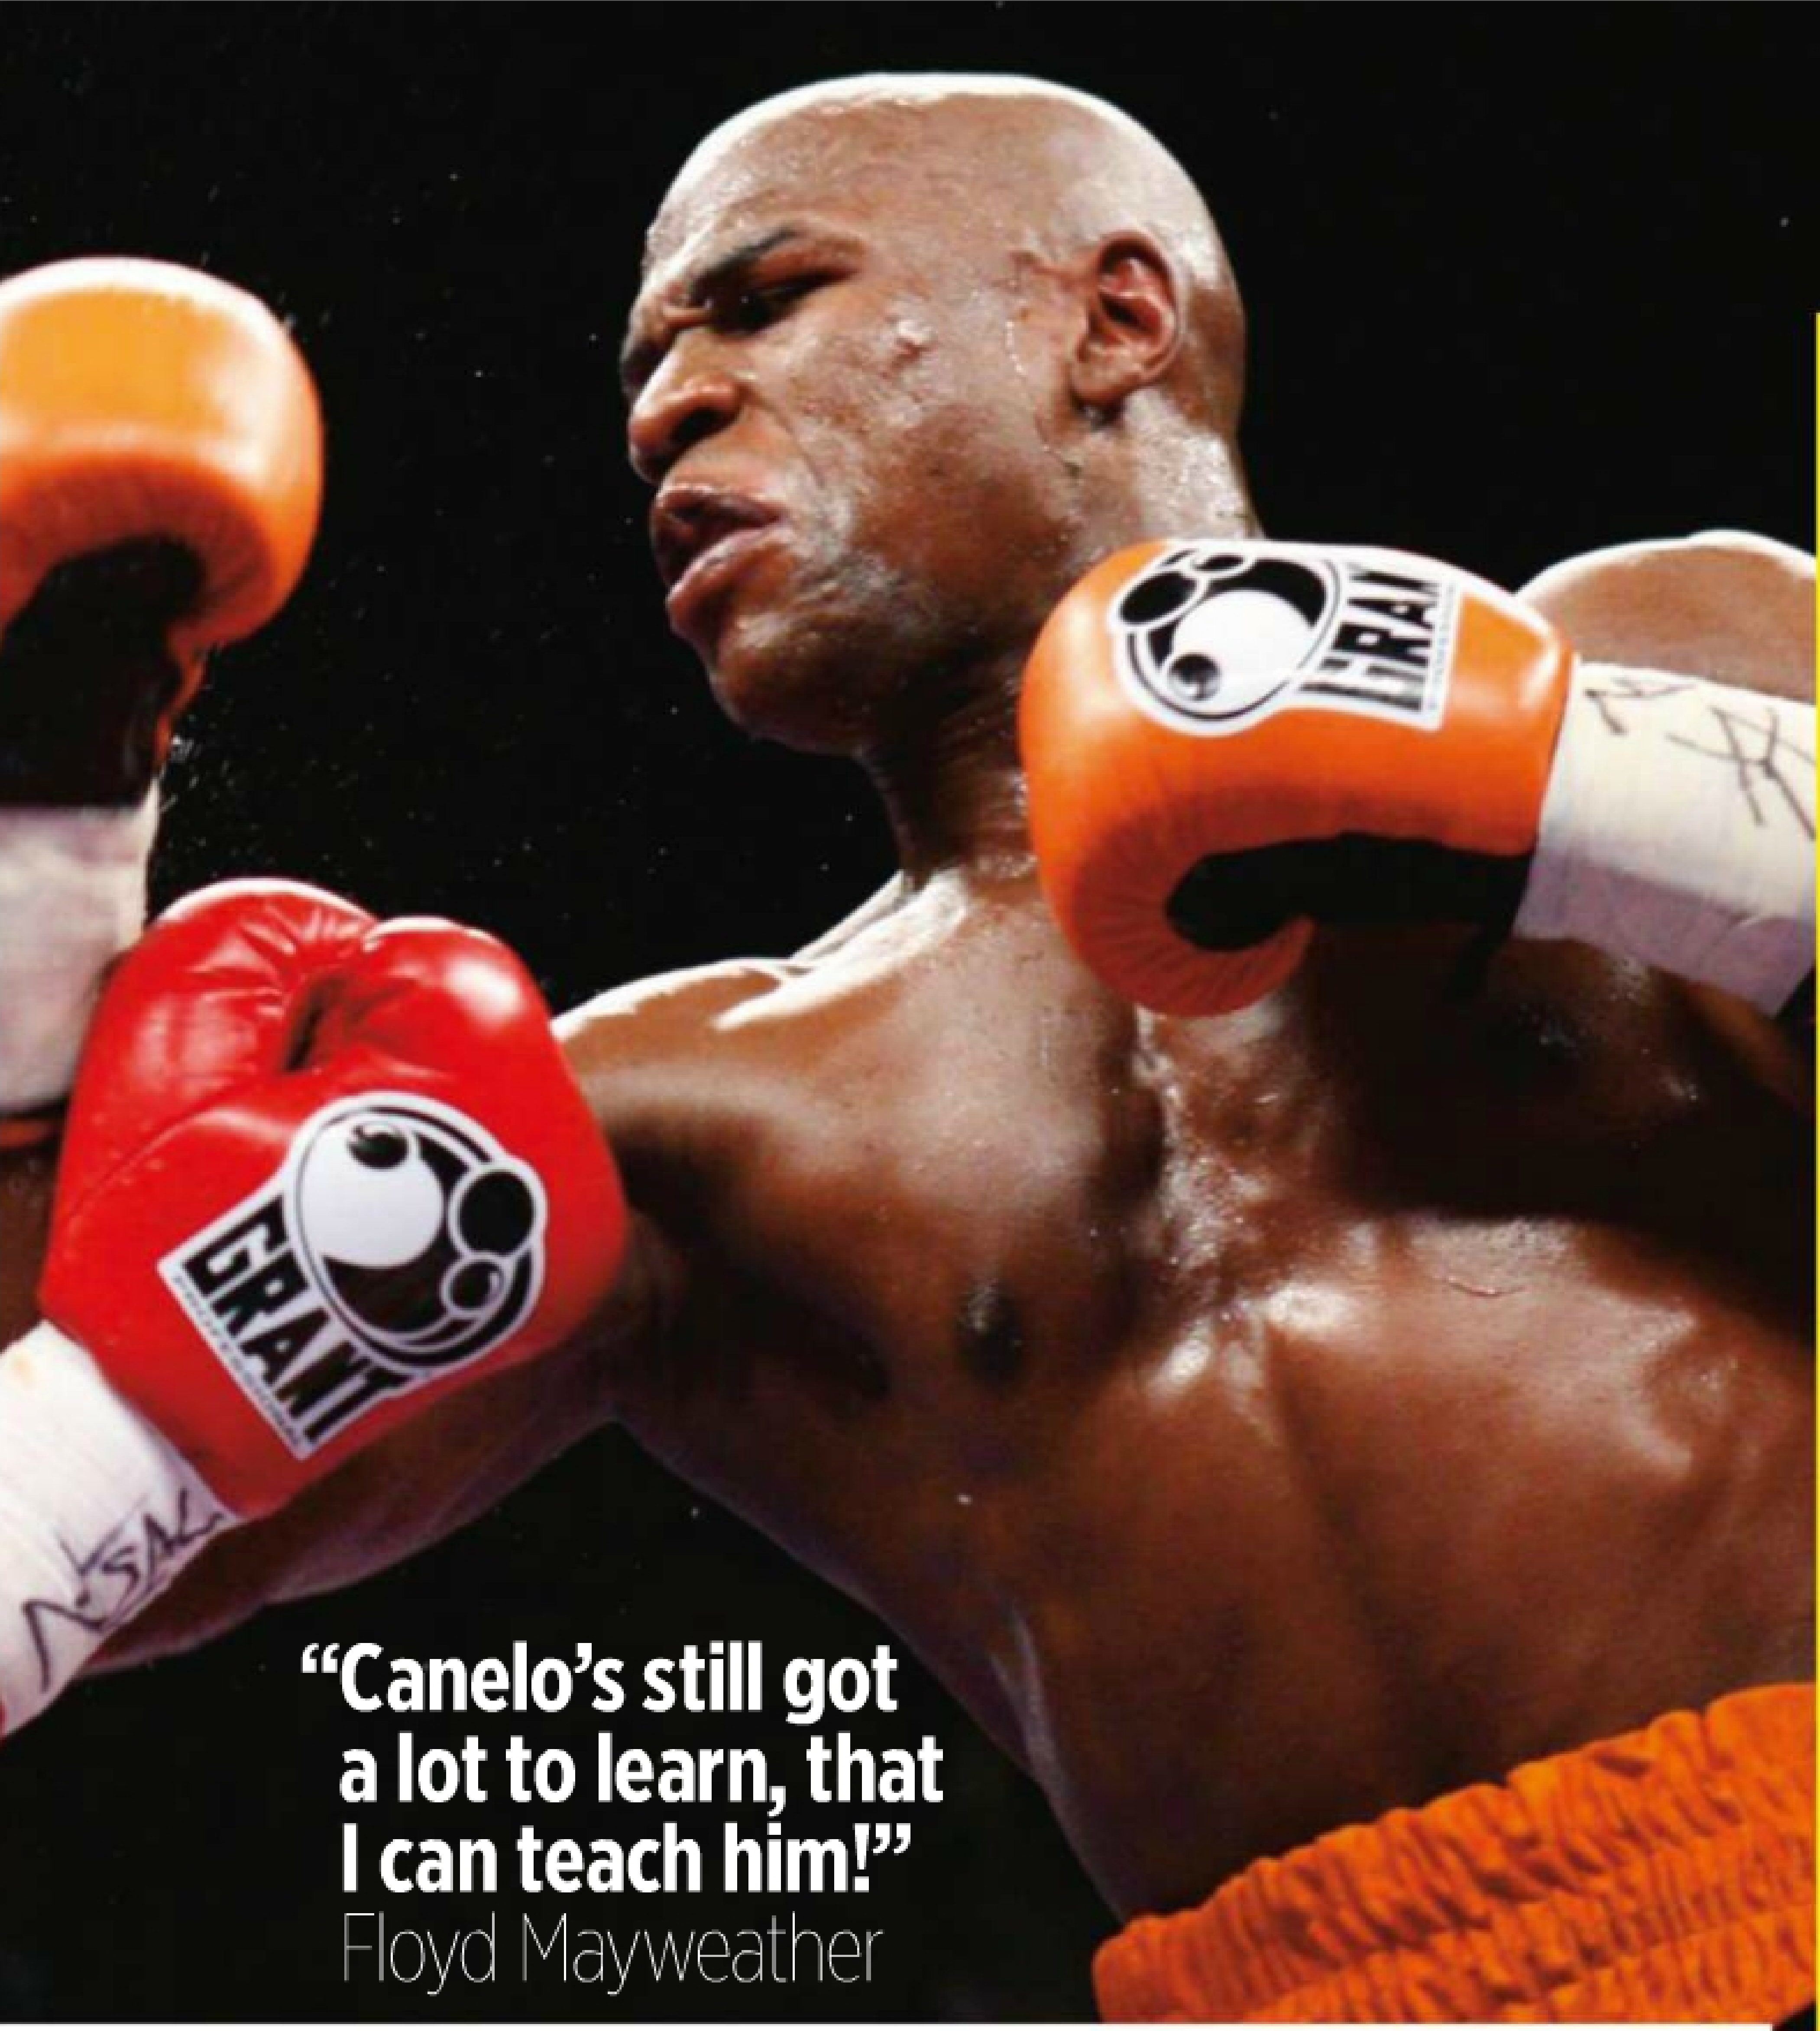
**He’s had only one fight less than you and is, as you say, only 22. Is he a better fighter now than you were at that age?**
Listen, sometimes the amount of fights someone has had can be deceiving. When I was 22, I was in the second year of my pro career and I won a world title. He’s been a professional since he was 16 but only just started fighting top fighters. What world champion has he beaten anyway? I don’t think he could have beaten me then, and I don’t think he can beat me now. I was better than he was then and I’m better than he is now.

**You said at the press conference, “As you get older, you’re going to become a different person.” How have you changed over the years?**
Ever since I can remember, I’ve had a pair of gloves on, so I’ve grown up in this sport. From when I was a kid, growing up in Grand Rapids, Michigan, until now, I’ve completely changed. I’m my own boss. I’m the highest-paid athlete in sports. I’m running a company, Mayweather Promotions, that’s the future of sports and entertainment. More importantly, I’ve grown as a man and father to my children. Unless you live this life I’ve lived, one that’s more of a fairytale than most people’s real lives, you just don’t know how much it takes to be comfortable with and understand the level of success that I have. I’ve had many lessons in my lifetime and have been able to find my way in what I now feel is the best time of my life. I just had to do what everyone else does. Learn from the past and mature to be the person I’ve become. I feel very comfortable in it now.

**But when you’re that successful and wealthy, what motivates you to keep doing something as dangerous as fighting?**
I fight for my family first. As long as I continue my career, I’ll be able to keep providing for my mother and children. I want them to have the best life possible and because of the sport of boxing, I’m able to give that to them. Then there’s my legacy. I want to be remembered as one of the greatest to ever step into a boxing ring. I’ve worked hard throughout my career to prove I’m worthy of that title. I have an obligation to keep fighting, to show the world that there’s no blueprint to beat me, that I fight the best and beat the best. So far, so good. Finally, for my fans – and that goes for the ones in the UK too. I fight for all of them, to give them a Mayweather experience, a lasting memory, a great time watching me fight. I’ll never forget when I went to the UK



**THE YOUNG GUN VS THE LEGEND!** Mayweather’s first win came in 1996, when Álvarez was just six years old!



"Canelo's still got a lot to learn, that I can teach him!"
Floyd Mayweather

and had an open workout for my fans at the Peacock Gym. It was tremendous and made me realise how passionate they are about my career.

**What's your dressing room like before a fight?**
My dressing room is pretty chilled before a fight. Music low, my mood relaxed. Before I go to the ring, I always have my children and members of the Money Team in there with me too. I might get some celebrities and entertainers that want to come in before the fight, which is cool, but at a certain point, everyone leaves except for my main crew. We clear the dressing room and make final preparations before I make my way to the ring. It's a special moment, every time.

**You've got over four million Twitter followers. Do people offer to fight you on there?**
You couldn't imagine the things my fans say to me on Twitter! Fans want to fight me, train me, be trained by me and anything else you can think of. Mad stuff, but my Twitter and Instagram have brought me closer to my fans and I love that I can talk to them and hear from them.

**What's the best piece of advice you've ever been given?**
The one that sticks with me the most is: "With hard work, anything is possible." I work harder and train harder than any other fighter, and that's why I'm the best at what I do. I know this for a fact. That's why I tell all the fighters in my gym that hard work and dedication are the key.

**Thanks, Floyd! Finally, there's a 24-carat solid gold WBC belt for you if win. Will you wear it in public?**
I don't fight for the belts. I fight for my legacy, to keep my undefeated record and be known as the greatest to ever lace up a pair of gloves. That gold belt will be just another belt alongside my many others in my case at home. It's already damn crowded in there!

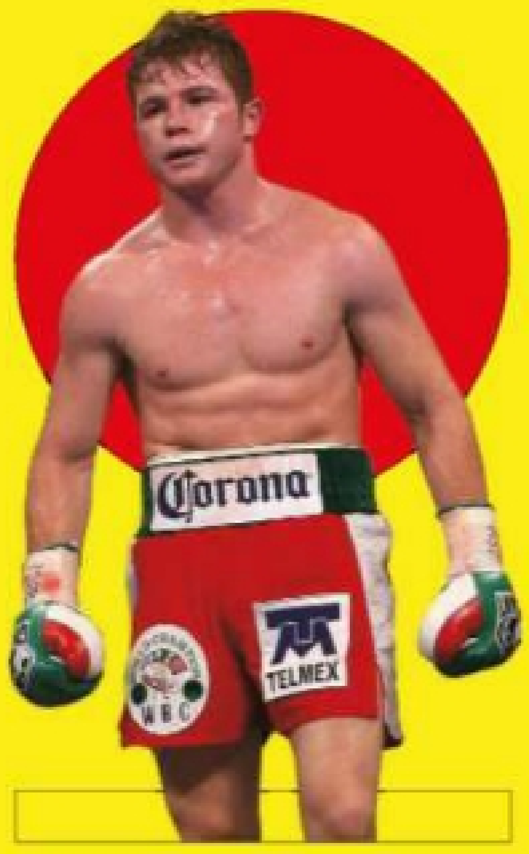
INTERVIEW: NICK WATKINS PHOTOS: GETTY IMAGES, REUTERS



# Who is Canelo Álvarez?

**A quick guide to the man out to mash Mayweather!**

- Álvarez's full name is Santos Saúl Álvarez Barragán. He earned his nickname "El Canelo" ("The Cinnamon") on account of his red hair.
- **El Canelo fought – and defeated – Ricky Hatton's brother Matthew in California in March 2011. "I don't think Ricky Hatton's brother is on the level of Floyd Mayweather," was Mayweather's assessment of that win.**
- He defended the WBC light middleweight title he won against Hatton, against another Brit, Sheffield's Ryan Rhodes.
- **He holds the WBC, WBA and *The Ring* magazine world light middleweight titles.**
- His current record is 42 wins, one draw, no defeats, with 30 of those wins by knockout or technical knockout.
- **In 2008, Canelo and all six of his brothers fought on the same card. Canelo is the youngest of the six.**

# This season's the open affair we've been waiting for!

## Transfer window dealings mean it's anyone's title!

**THIS IS** going to be the most openly contested Premier League in years. I think Spurs and Liverpool spotted this, which is why they were so active in the transfer window. They saw that the Manchester teams were vulnerable with new managers, and Chelsea may be vulnerable with an old manager returning.

Arsene Wenger will have started the season thinking he didn't need to spend but he's ended up paying over the odds for Mesut Özil. Spurs were clever – they did all their business before they completed the sale of Gareth Bale, so they weren't expected to pay inflated prices. Arsenal, though, were buying a player from a club who'd just spent £85m!

We're going to see City, United, Chelsea, Arsenal, Spurs and Liverpool in the mix – it'll be fascinating.

"Gissa kiss"

## Close, but no cigar for Ba and Arsenal!

**IT WAS** interesting to see that Jose Mourinho was happy to loan Victor Moses to Liverpool, but wouldn't let Demba Ba go to Arsenal unless they paid a fair whack as a loan fee.

Is he tacitly suggesting that Arsenal are more of a threat than Liverpool? Maybe. The last thing he wants is to be partially paying for the privilege of seeing Demba Ba banging in goals on the other side of the capital.

As for Victor Moses, we know Mourinho isn't a fan of young players to the point that clubs with him at the helm don't need a youth team. He likes people to look at his team sheet and see experience. So he was happy to let Moses go, but he'll want Ba to stay and bang in some goals.

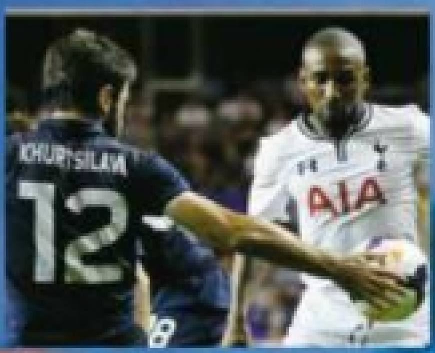
# KAMMY'S UNBELIEVABLE-OMETER™

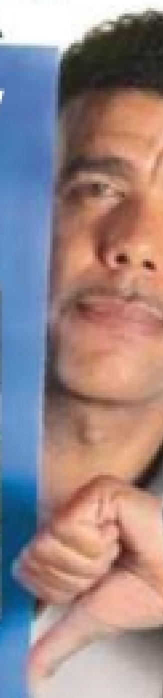
## UNBELIEVABLY GOOD!

**BALE MONEY!**
It doesn't really matter in the grand scheme of things, but it's nice to see the most expensive player in the world is one from Britain, made in the Premier League.

## UNBELIEVABLY BAD!



**BAD HAND!**
Another season, another problem for refs – what constitutes a handball? They've supposedly been given clear guidelines but there's as much confusion as ever.



# THE BIG MATCH!

"Quick lads! Catch 'em – they're floating away!"

## Swansea City vs Liverpool

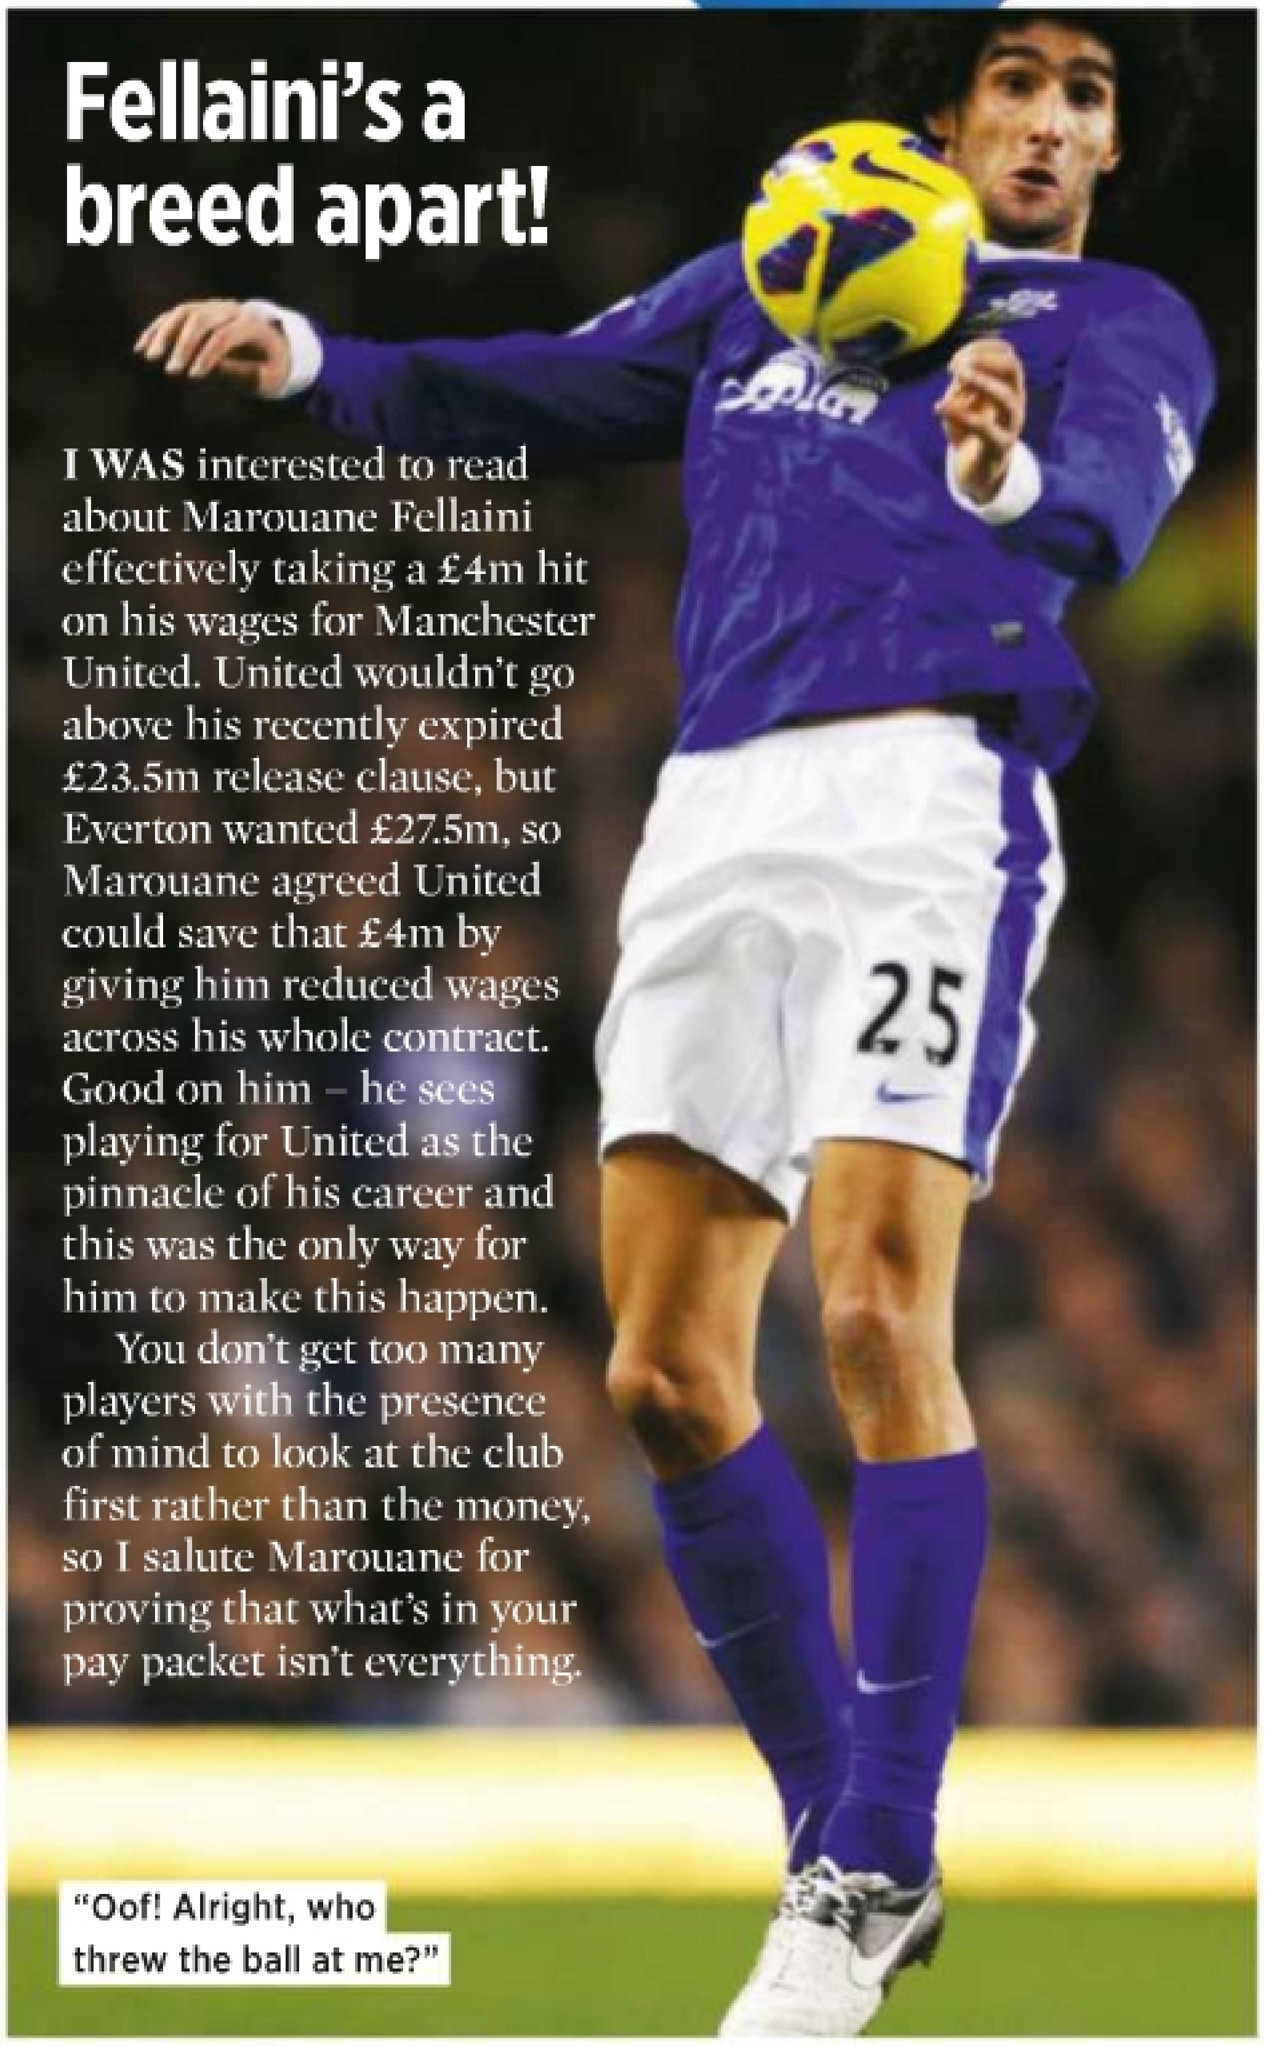
**MONDAY 16 SEPT, 8PM** • Sky Sports 1/HD

Obviously, Brendan Rodgers will want to do well on his return to his old club, and I just feel that momentum's with his team. Swansea are going to struggle this season with the increased demands of the Europa League.
**PREDICTION: 0-2**

### Key man

Look no further than Sturridge. He knows he has his place on merit but he'll also be mindful that Suarez is soon to return.

## Fellaini's a breed apart!



**I WAS** interested to read about Marouane Fellaini effectively taking a £4m hit on his wages for Manchester United. United wouldn't go above his recently expired £23.5m release clause, but Everton wanted £27.5m, so Marouane agreed United could save that £4m by giving him reduced wages across his whole contract. Good on him – he sees playing for United as the pinnacle of his career and this was the only way for him to make this happen.

You don't get too many players with the presence of mind to look at the club first rather than the money, so I salute Marouane for proving that what's in your pay packet isn't everything.

"Oof! Alright, who threw the ball at me?"

## Lennon should be very proud!

**TWO OF** the best sights of this season have been Neil Lennon charging down the pitch to celebrate Celtic's third goal against Shakhter Karagandy, and then his head-in-hands reaction as Celtic were handed the Champions League group from hell. Celtic have achieved miracles in the tournament in recent times. When Lennon eventually leaves Celtic, it'll be with his head held high.

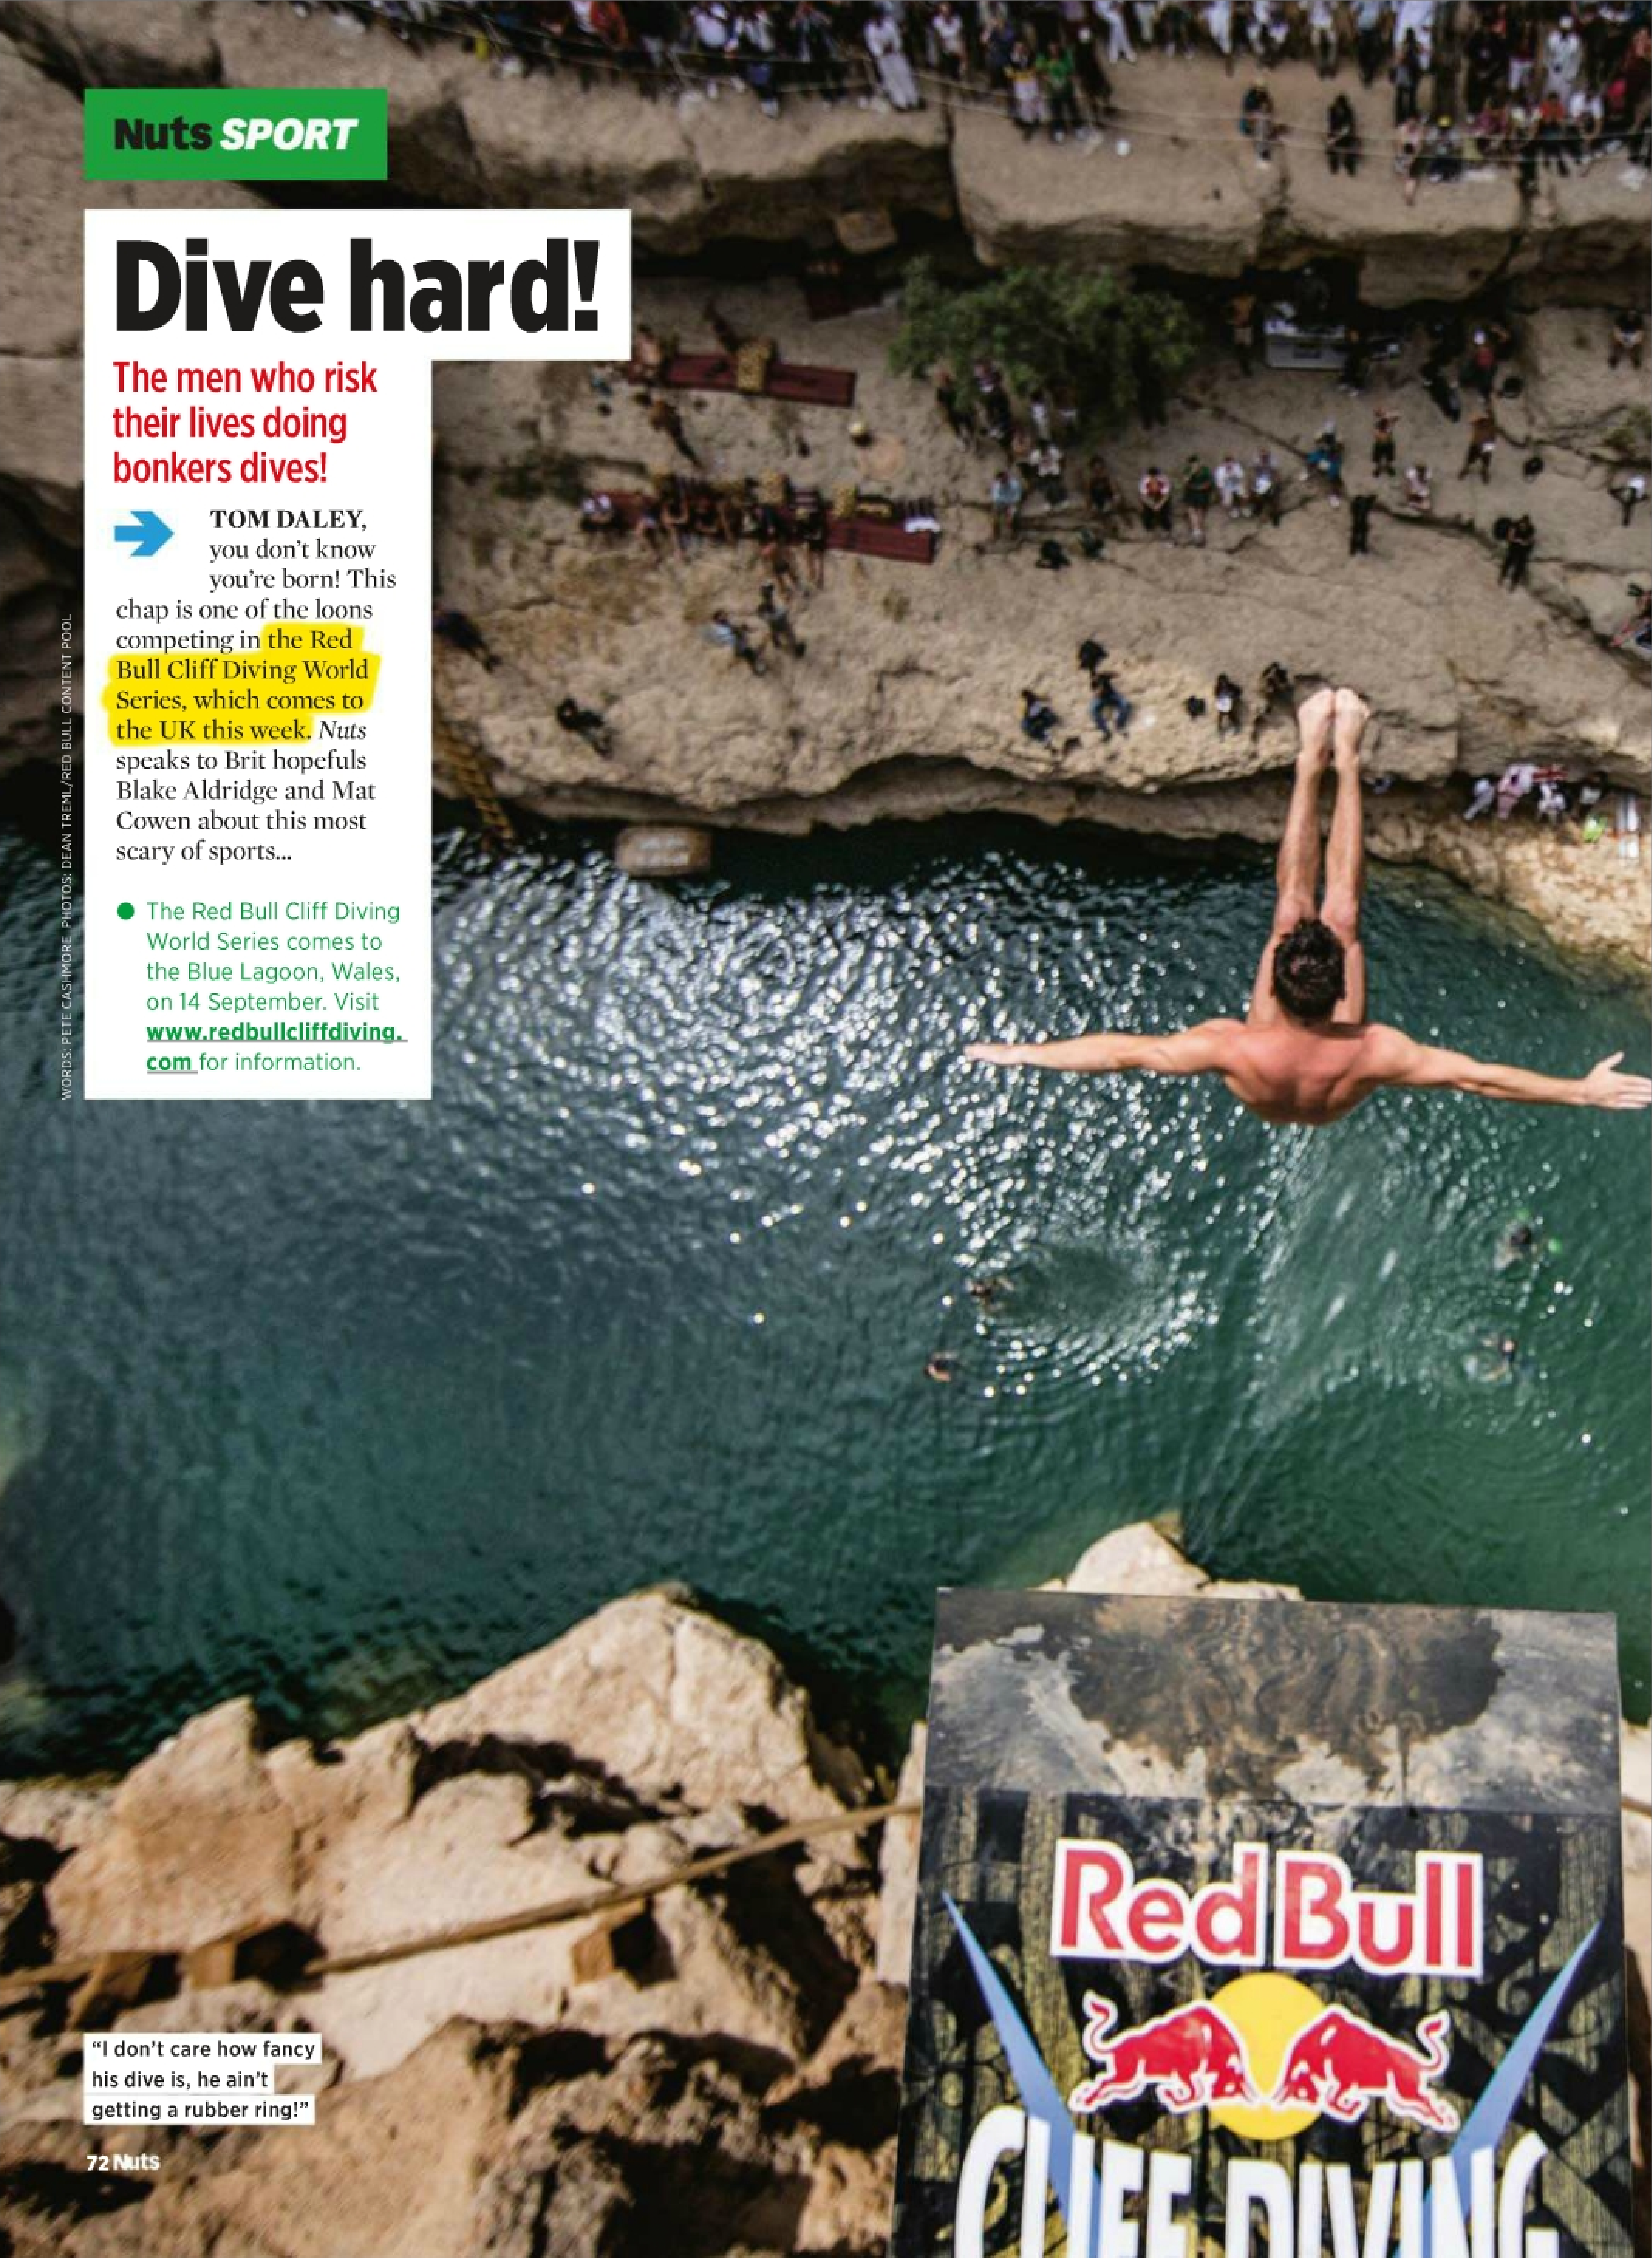
"Yes, I admit it... 'I'm a ginger'"

# Dive hard!

## The men who risk their lives doing bonkers dives!

**TOM DALEY**, you don't know you're born! This chap is one of the loons competing in the Red Bull Cliff Diving World Series, which comes to the UK this week. *Nuts* speaks to Brit hopefuls Blake Aldridge and Mat Cowen about this most scary of sports...

- The Red Bull Cliff Diving World Series comes to the Blue Lagoon, Wales, on 14 September. Visit **www.redbullcliffdiving.com** for information.



"I don't care how fancy his dive is, he ain't getting a rubber ring!"

# A rib-shattering rush!

**British cliff divers Blake Aldridge and Mat Cowen explain just how dangerous their sport can get!**

**Hi guys! Why do something as dangerous as throw yourself off a cliff?**
**Mat:** I've always been a bit crazy so it seemed like a natural step after trying Olympic-style diving.
**Blake:** It's dangerous, but we're all professionals. So it's more of a calculated risk for us, rather than absolute danger, although if it goes wrong, you're going to smash yourself to bits! I've got lost in the air but stuck with it and managed to figure the dive out.

**What does "getting lost in the air" mean?**
**BA:** Basically, losing your awareness of the dive. We're meant to know exactly where we are during the dive, but the fact that you're 30 metres up means that there's not always a point of focus. A normal diver only jumps from ten metres. When you're out in the wilderness there's nothing for you to see.
**MC:** Your brain takes over. Your body knows that you can do the dive, it's a lot more mental being able to execute the dive. You have a split second where your brain kicks in and says, "Do this! Do that! Land on your feet!"

**What happens if you *don't* land on your feet?**
**BA:** If you hit the water on your side, you're looking at broken ribs, torn spleen, punctured lungs, torn retinas... We have to land feet-first because the impact on the water is so much greater than springboard diving. We're three times the height!
**MC:** I've seen a few divers get pretty badly hurt. One of my good friends got knocked out twice. We all have a mutual respect because it's so dangerous.

**Is it an adrenaline rush?**
**BA:** You push your body and your mind to their absolute limits. I've done Olympic diving – same board, same height, day in, day out. We don't have the time or physical capacity to train like that, and the impact on the water is too great, if you practised a lot, you'd get injured pretty quickly. You have to lie to yourself and convince your brain that you've been up there and done it before.

**Finally then, how do women react when you tell them what you do?**
**MC:** I'll be honest – I don't bring it up unless I'm directly asked as they tend not to believe me!
